Index No. 60767/2018

Hon. Linda S. Jamieson

**AFFIRMATION OF JEREMY
VEST IN SUPPORT OF FINAL
APPROVAL OF SETTLEMENT
WITH HOULIHAN LAWRENCE**

I, **JEREMY VEST**, an attorney admitted to practice in the Courts of the State of New York, hereby affirm as follows:

1. I am a member of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. (“Mintz”). The Court appointed Mintz, together with Boies Schiller Flexner LLP (“BSF”) and Ohlemeyer Law PLLC (“Ohlemeyer”), as Co-Lead Class Counsel for the Settlement Class. *See* Order, Hon. L. Jamieson, March 14, 2025 ([Dkt. 2307](#)).

2. Mintz is an American Lawyer 150 law firm with 500 attorneys serving clients worldwide. Mintz has offices in New York, Boston, Washington, D.C., Los Angeles, San Francisco, and San Diego. Mintz has participated in some of the largest multi-state and standalone class actions.

3. William S. Ohlemeyer, of Ohlemeyer PLLC, is a Fellow in the American College of Trial Attorneys, a Member of the American Board of Trial Advocates, with nearly 40 years of experience representing plaintiffs and defendants in complex and high value litigation.

4. BSF is an American Lawyer 150 law firm with more than 150 attorneys serving clients worldwide. BSF has offices in New York, Washington, D.C., Miami, San Francisco, Los Angeles, and elsewhere. BSF has also participated in numerous large multi-state and standalone class actions.

5. I personally have substantial experience representing plaintiffs in the Commercial Division of the New York Supreme Court, including in *MBIA Insurance Inc. v. Morgan Stanley*, Index No. 29951-10 (N.Y. Sup. Ct. Westchester Cty.) (Scheinkman, J.), where I have helped try two cases to favorable verdict, *Ferolito v. AriZona Beverages USA LLC, et al*, Case No. 004058-12 (N.Y. Sup. Ct. Nassau Cty.), and *Fox Paine & Co., LLC v. Equity Risk Partners, Inc.*, Index No. 526077/2014 (N.Y. Sup. Ct. Westchester Cty.) (Walsh, J.).

6. I have also successfully argued two appeals before the New York Supreme Court Appellate Division - Second Department, *Fox Paine & Co., LLC v. Houston Cas. Co.*, 153 A.D.3d 673 (2d Dep't 2017) and *Fox Paine & Co., LLC v. Houston Cas. Co.*, 153 A.D.3d 678 (2d Dep't 2017).

7. In addition to having represented the Class for the last six-and-a-half years, my class action experience includes helping co-lead litigation class counsel, former BSF partner William S. Ohlemeyer, a fellow in the American College of Trial Lawyers and former Vice President and Associate General Counsel Altria Group, where he was responsible for coordinating litigation issues facing the Altria group of companies, successfully defend Boston Scientific Corporation in the putative class

action, *Teresa L. Stevens v. Boston Scientific Corp. et al.*, Civil Action No. 2:16-0265 (S.D. W. Va. 2016).

8. On behalf of Plaintiffs, Co-Lead Counsel and I personally participated in extensive settlement negotiations with counsel for Houlihan Lawrence over the course of nearly three years. These negotiations included several telephonic and in-person mediations Leonard Benowich, a highly experienced Court-appointed mediator. The parties then continued to engage directly through multiple intensive in-person and telephonic negotiations over many months. The parties ultimately reached an agreement on settlement after several telephonic and in-person mediations with the Court.

9. Plaintiffs and Houlihan Lawrence executed a Settlement Agreement on October 3, 2024. Attached as Exhibit 1 is a true and correct copy of the Settlement Agreement between Plaintiffs and Houlihan Lawrence.

10. As the Court is aware, my firm and our Co-Lead Counsel successfully navigated this case from its infancy to a favorable settlement following jury selection. I conducted the pre-filing investigation, drafted the complaint, and have spent the majority of my time over the past seven years working on this matter, and I am therefore intimately familiar with all aspects of the case.

11. In my opinion, and in that of highly experienced proposed Co-Lead Counsel, William S. Ohlemeyer, the proposed Settlement Agreement is fair, reasonable, and adequate. It provides substantial monetary and non-monetary benefits to the Settlement Class, and it avoids the risks, costs, and delay of

continuing protracted litigation against Houlihan Lawrence. Plaintiffs and Class Counsel reached the Settlement Agreement after conducting extensive arms-length negotiations under the Court's direct supervision and considering the risks and costs of continued litigation. Plaintiffs and Class Counsel believe the claims asserted are meritorious and that the evidence developed to date supports the claims, but also recognize the risk and delay of further proceedings in a complex case like this, and they believe that the Settlement confers meaningful benefits upon the Settlement Class Members.

12. In my opinion, and in that of highly experienced proposed Co-Lead Counsel, William S. Ohlemeyer, the cash component of the Settlement is fair, reasonable, adequate, and in the best interests of the Class in light of the financial condition of Houlihan Lawrence, and the limited resources available to it to satisfy a judgment as compared to the size of Houlihan Lawrence's potential monetary exposure at trial.

13. Pursuant to CPLR § 4547, Plaintiffs received and carefully reviewed detailed financial records from Houlihan Lawrence to analyze Houlihan Lawrence's ability to fund a settlement or judgment in this case. Our team for this analysis included Plaintiffs' expert, Robert Lashway, a Certified Public Accountant with more than 20 years' experience reviewing financial and legal information. Our investigation considered several financial metrics in assessing Houlihan Lawrence's likely future profitability, but we primarily relied on their most recent Net Income. As part of our investigation, we determined that Houlihan Lawrence could not

withstand the potential liability that it faced in this action. Co-Lead Class Counsel and I agreed to the cash component of the Settlement only after concluding that \$9 million is greater than Houlihan Lawrence's entire annual Net Income in the year preceding the Settlement and is a reasonable payment in light of what Houlihan Lawrence is forecasted to generate during the Settlement's five-year payout period.

14. Houlihan Lawrence disclosed during discovery that it had \$10 million in insurance coverage for defense costs related to the litigation. In concluding that the Settlement was fair, reasonable, adequate, and in the best interests of the Class, Co-Lead Class Counsel and I further considered that Houlihan Lawrence represented to the Court that it had already exhausted that \$10 million in insurance coverage through payment of attorneys' fees and expenses related to the litigation.

15. By imposing the maximum monetary penalty on Houlihan Lawrence short of insolvency, the Settlement achieves a fundamental aim of the lawsuit by holding Houlihan Lawrence accountable to the fullest extent possible under the circumstances and sending a forceful message to Houlihan Lawrence and the real estate industry that "[u]ndisclosed dual agency cannot be permitted without dire consequences."¹

16. In my opinion, and in that of highly experienced co-lead class counsel William S. Ohlemeyer, the Class's elimination of Houlihan Lawrence's In-House

¹ Edward I. Sumber, *Mutually Dependent Transactions and the Creation of Dual Agency*, Real Estate In-Depth, Mar. 2009 ([Dkt. 227](#))

Bonus program is another substantial victory for the Class. Because Houlihan Lawrence's non-disclosure of the In-House Bonus may have provided separate and independent grounds for liability,² the injunctive relief is reasonably valued at more than \$200,000,000, the amount of sales commissions that may have been recoverable if the Class had prevailed at trial,³ and in no event less than the \$11 million that Houlihan Lawrence paid sales agents in In-House Bonuses during the Class Period.⁴

17. I have discussed the Settlement Agreement with the Class Representatives, and they have approved it, with the knowledge and understanding that Co-Lead Class Counsel and I are seeking an award of attorneys' fees and costs equal to \$9 million.

18. There was no collusion among counsel for the parties at any time during these settlement negotiations. To the contrary, the negotiations were contentious, hard fought, and fully informed. Plaintiffs sought to obtain the largest possible monetary recovery, as well as the most impactful changes to Houlihan Lawrence's business practices, to avert anti-consumer conduct going forward.

19. When the Settlement Agreement was executed with Houlihan Lawrence in this action, Settlement Class Counsel were fully aware of the strengths and weaknesses of each side's positions. Plaintiffs and Houlihan Lawrence reached this Settlement after extensive litigation and settlement negotiations in this

actions. The parties completed over five years of extensive fact and expert discovery, including propounding and responding to multiple sets of interrogatories and requests for production, followed by the production of over 1 million pages of documents from the parties and non-parties. Plaintiffs briefed numerous discovery motions and disputed items in order to obtain important evidence to support their claims. The parties conducted nearly two dozen depositions. Plaintiffs engaged three experts to support their claims and to rebut claims from the three experts retained by Houlihan Lawrence. Several of the experts were deposed after the submission of expert reports. Plaintiffs also briefed summary judgment and completed their preparation for the scheduled month-long trial.

20. During the litigation, Co-Lead Class Counsel and I engaged in extensive arm's-length settlement negotiations with Houlihan Lawrence that lasted nearly three years. This work resulted in the Settlement that requires Houlihan Lawrence to abolish its In-House Bonus program and pay \$9 million.

21. Proposed Settlement Class Counsel who negotiated the settlement with Houlihan Lawrence are the same attorneys who worked diligently on behalf of Plaintiffs to prosecute this case for six-and-a-half years.

22. Considering the significant size of the potential liability in this case, Houlihan Lawrence's ability or capacity to pay is a significant factor in evaluating the fairness of the Settlement to the Class.

23. In my opinion, and in that of highly experienced Co-Lead Counsel, William S. Ohlemeyer, Pamela Goldstein, Tony Berk, and Paul Benjamin

("Plaintiffs"), are ably representing the proposed Settlement Class. And they approved the settlement.

24. Attached as Exhibit 1 is a true and correct copy of the Settlement Agreement between Plaintiffs and Houlihan Lawrence, dated October 3, 2024.

25. Attached as Exhibit 2 is a true and correct copy of the Expert Report of Robert W. Lashway, dated August 15, 2023.

26. Attached as Exhibit 3 is a true and correct copy of the Expert Report of Gary Kleinrichert, dated February 15, 2023.

27. Attached as Exhibit 4 is a true and correct copy of the Declaration of Gina Intrepido-Bowden, dated June 13, 2025.

WHEREFORE, your deponent respectfully requests that this Court enter an Order: (1) granting final approval of the Settlement; (2) certifying the Settlement Class for settlement purposes only; and (3) entering final judgment.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

SETTLEMENT AGREEMENT

EXECUTION COPY

This Settlement Agreement (“Settlement Agreement”) is made and entered into on **October 3, 2024** (the “Execution Date”), by and between defendant the Houlihan/Lawrence Inc. and plaintiffs PAMELA GOLDSTEIN, ELLYN & TONY BERK as Administrators of the Estate of Winifred Berk, and PAUL BENJAMIN, (collectively “Plaintiffs”), who filed suit in the above captioned action (“the Action”), both individually and as representatives of a class of home sellers and buyers. Plaintiffs enter this Settlement Agreement both individually and on behalf of the Settlement Class, as defined below.

WHEREAS, in the Action, Plaintiffs allege that Houlihan/Lawrence breached certain duties, violated RPL 443, violated GBL 349, and unjustly enriched itself;

WHEREAS, Houlihan/Lawrence denies Plaintiffs’ allegations in the Action and has asserted defenses to Plaintiffs’ claims;

WHEREAS, extensive arm’s-length settlement negotiations have taken place between Plaintiffs’ Co-Lead Counsel and counsel for Houlihan/Lawrence, including several mediations with a highly experienced mediator;

WHEREAS, Plaintiffs have conducted an extensive investigation into the facts and the law regarding the claims asserted in the Action, including more than five years of fact and expert discovery, and have concluded that a settlement with Houlihan/Lawrence according to the terms set forth below is fair, reasonable, and adequate and in the best interest of Plaintiffs and the Settlement Class;

EXECUTION COPY

WHEREAS, Houlihan/Lawrence believes that it is not liable for the claims asserted and has good defenses to Plaintiffs' claims, but nevertheless has decided to enter into this Settlement Agreement to avoid further expense, inconvenience, and the distraction of burdensome and protracted litigation, to obtain the releases, orders, and judgment contemplated by this Settlement Agreement, and to put to rest with finality all claims that Plaintiffs and Settlement Class Members have or could have asserted against the Released Parties, as defined below;

WHEREAS, Houlihan/Lawrence, in addition to the settlement payments set forth below, has also agreed to make the practice change set forth below; and

NOW, THEREFORE, in consideration of the agreements and releases set forth herein and other good and valuable consideration, and intending to be legally bound, it is agreed by and between Houlihan/Lawrence and the Plaintiffs that the Action be settled, compromised, and dismissed with prejudice as to Houlihan/Lawrence, without costs to Plaintiffs, the Settlement Class, or Houlihan/Lawrence except as provided for herein, subject to the approval of the Court, on the following terms and conditions:

Under no circumstance will Houlihan/Lawrence have any obligation to pay any attorneys' fees, expenses, interest or costs beyond this Total Monetary Settlement Amount.

Stipulation to Class Certification

15. The Settling Parties hereby stipulate, for purposes of this Settlement only, that the requirements for class certification are met, and, subject to Court approval, the

EXECUTION COPY

Settlement Class shall be certified for Settlement purposes. The Settling Parties stipulate and agree to the conditional certification of the Settlement Class for purposes of this Settlement only. Should, for whatever reason, the Settlement not become Effective, the Settling Parties' stipulation to class certification as part of the Settlement shall become null and void with Houlihan/Lawrence reserving all rights, objections, and appeals related to class certification in the Action.

16. Neither this Settlement Agreement, nor any statement, transaction, or proceeding in connection with the negotiation, execution, or implementation of this Settlement Agreement is intended to be, construed as, or deemed to be evidence of an admission or concession by Houlihan/Lawrence that a class should be or should have been certified for any purposes other than settlement, and none of them shall be admissible in evidence for any such purpose in any proceeding.

Approval of this Settlement Agreement and Dismissal of the Action

17. The Settling Parties agree to make reasonable best efforts to effectuate this Settlement Agreement, including, but not limited to, seeking the Court's approval of procedures (including the giving of Class Notice); scheduling a final fairness hearing to obtain final approval of the Settlement and the final dismissal with prejudice of the Action as to Houlihan/Lawrence.

EXECUTION COPY

18. Plaintiffs will submit to the Court a motion requesting that the Court preliminarily approve the Settlement. The motion for preliminary approval shall include a proposed form of order preliminarily approving the Settlement and enjoining Releasing Parties from prosecuting any Released Claims in any forum until the Effective Date of this Settlement. At least 72 hours before submission to the Court, the papers in support of the motion for preliminary approval, including the proposed final form of Class Notice, shall be provided by Co-Lead Counsel to counsel for Houlihan/Lawrence for its review. To the extent that Houlihan/Lawrence objects to any aspect of the motion for preliminary approval, it shall communicate such objection to Co-Lead Counsel and the Settling Parties shall meet and confer to resolve any such objection. The Settling Parties shall take all reasonable actions as may be necessary to obtain preliminary approval of the Settlement. To the extent the Court finds that the Settlement does not meet the standard for preliminary approval, the Settling Parties will negotiate in good faith to modify this Settlement Agreement directly or with the assistance of an agreed mediator and will endeavor to resolve any issues to the satisfaction of the Court.

19. Subject to approval by the Court, the Settling Parties agree that Class Notice for settlement purposes shall be issued by the same vendor and through the same means already utilized in this litigation ("Class Notice").

20. If required by any law, rule, or regulation, within 10 calendar days after the filing of the first motion for preliminary approval of this Settlement Agreement, the

EXECUTION COPY

claims administrator shall at Plaintiffs' expense and direction, to be credited against the Total Monetary Settlement Amount, cause notice of this Settlement Agreement to be served upon appropriate State and Federal officials.

21. If the Settlement is preliminarily approved by the Court, Plaintiffs shall timely seek final approval of the Settlement and entry of a final judgment order: (a) certifying the Settlement Class, solely for purposes of this Settlement; (b) granting final approval of the Settlement as fair, reasonable, and adequate and directing the consummation of the Settlement according to its terms; (c) directing that the Action be dismissed with prejudice and, except as provided for herein, without costs; (d) reserving exclusive jurisdiction over the Settlement and this Settlement Agreement, including reserving exclusive jurisdiction over the administration and consummation of this Settlement to the Court; and (e) determining that there is no just reason for delay and directing entry of final judgment.

22. This Settlement Agreement will become Effective only after the occurrence of all conditions set forth in the definition of the Effective Date.

Releases, Discharge, and Covenant Not to Sue

23. Upon the occurrence of the Effective Date, the Releasing Parties expressly and irrevocably waive, and fully, finally, and forever settle, discharge, and release the Released Parties from, any and all manner of claims, demands, actions, suits, and causes

EXECUTION COPY

of action, whether individual, class, representative, or otherwise in nature, for damages, restitution, disgorgement, interest, costs, expenses, attorneys' fees, fines, civil or other penalties, or other payment of money, or for injunctive, declaratory, or other equitable relief, whenever incurred, whether directly, indirectly, derivatively, or otherwise, whether known or unknown, suspected or unsuspected, in law or in equity, that any Releasing Party ever had, now has, or hereafter can, shall, or may have and that have accrued as of the date of Class Notice of the Settlement arising from or related to the Released Claims. The Released Claims include but are not limited to the consumer protection, statutory, and common law claims brought in the Action and similar state and federal statutes and caselaw. In connection therewith, upon the Effective Date of Settlement, each of the Releasing Parties (a) shall forever be enjoined from prosecuting in any forum any Released Claims against any of the Released Parties that accrued from the beginning of time through the date of Class Notice; and (b) agrees and covenants not to sue any of the Released Parties with respect to any Released Claims. For avoidance of doubt, this release extends to, but only to, the fullest extent permitted by law.

24. The Releasing Parties may hereafter discover facts other than or different from those that they now know or believe to be true with respect to the subject matter of the Released Claims. Nevertheless, the Releasing Parties expressly, fully, finally, and forever settle and release, and, upon the Effective Date, shall be deemed to have, and by

EXECUTION COPY

operation of the Final Judgment and Order of Dismissal shall have, fully, finally, and forever settled and released, any and all Released Claims, without regard to the subsequent discovery or existence of such other, different, or additional facts, as well as any and all rights and benefits existing under (a) Cal. Civ. Code Section 1542, which provides as follows: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY or any equivalent, similar or comparable present or future law or principle of law of any jurisdiction, including but not limited to Section 20-7-11 of the South Dakota Codified Laws, which provides that "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR;" or (b) any law or principle of law of any jurisdiction that would limit or restrict the effect or scope of the provisions of the release set forth above, without regard to the subsequent discovery or existence of such other, different, or additional facts. The Releasing Parties acknowledge that the inclusion of unknown claims in the definition of Released Claims was separately bargained for and was a material element of this Settlement Agreement.

EXECUTION COPY

Payment of the Settlement Amount

25. Plaintiffs will open a special interest-bearing settlement escrow account or accounts, established for that purpose as a qualified settlement fund as defined in Section 1.468B-1(a) of the United States Treasury Regulations (the "Escrow Account").

Within thirty (30) days following preliminary approval of this Settlement Agreement by the Court (and notwithstanding the existence of any appellate rights),

Houlihan/Lawrence will deposit **Three Million Dollars (\$3 million)** into the Escrow Account. Assuming final approval, by **March 1, 2026**, Houlihan/Lawrence will deposit an additional **One Million Six Hundred Sixty-Six Thousand Six Hundred Sixty-Six Dollars (\$1,666,666)** into the Escrow Account. By **March 1, 2027**, Houlihan/Lawrence will deposit an additional **One Million Six Hundred Sixty-Six Thousand Six Hundred Sixty-Six Dollars (\$1,666,666)** into the Escrow Account. By **March 1, 2028**,

Houlihan/Lawrence will deposit an additional **One Million Six Hundred Sixty-Six Thousand Six Hundred Sixty-Six Dollars (\$1,666,666)** into the Escrow Account. By

March 1, 2029, Houlihan/Lawrence will deposit an additional **One Million Two Dollars (\$1,000,002)** into the Escrow Account. All accrued interest shall be for the

benefit of the Settlement Class unless the Settlement is not approved, in which case the interest shall be for the benefit of Houlihan/Lawrence. Nothing in this Paragraph shall serve to limit Houlihan/Lawrence's ability to make a payment early.

EXECUTION COPY**The Settlement Fund**

26. The Total Monetary Settlement Amount, any interest earned thereon, and any payments by Released Parties pursuant to this Settlement Agreement shall be held in the Escrow Account and constitute the "Settlement Fund." The full and complete cost of the Class Notice, claims administration, Settlement Class Members' compensation, current and former class representatives' incentive awards, attorneys' fees and reimbursement of all actual expenses of the Action, any other litigation costs of Plaintiffs (all as approved by the Court), and all applicable taxes, if any, assessable on the Settlement Fund or any portion thereof, will be paid out of the Settlement Fund, unless expressly stated otherwise herein.

27. The Settling Parties and their counsel will not have any responsibility, financial obligation, or liability for any fees, costs, or expenses related to providing Class Notice to the Settlement Class or administering the settlement, unless expressly stated otherwise in this Settlement Agreement. Such fees, costs, or expenses shall be paid solely from the Settlement Fund with Court approval. The balance of the Settlement Fund shall be disbursed to Settlement Class Members as provided in a Plan of Allocation (as defined below) approved by the Court. The Settling Parties shall have the right to audit amounts paid from the Settlement Fund.

EXECUTION COPY

28. After preliminary approval of the Settlement and approval of a Class Notice plan, Co-Lead Counsel may utilize a portion of the Settlement Fund to provide Class Notice of the Settlement to potential members of the Settlement Class.

29. Subject to Co-Lead Counsel's sole discretion as to timing, except that the timing must be consistent with any rules requiring that Settlement Class Members be given the opportunity to review fee applications, Co-Lead Counsel may apply to the Court for a fee award, plus expenses, and costs incurred, and current and former class representative service awards to be paid out of the Settlement Fund. Within 14 business days after any order by the Court awarding attorneys' fees, expenses, or class representative incentive awards or such later date as directed by Co-Lead Counsel, the escrow agent for the Settlement Fund shall pay any approved attorneys' fees, expenses, costs, and class representative service award for such fees, expenses, costs, and class representative service award by wire transfer as directed by Co-Lead Counsel in accordance with and attaching the Court's Order, provided that each Co-Lead Counsel receiving payment signs an assurance attesting that they will repay all awarded amounts if this Settlement Agreement does not become Effective.

30. The Settlement Fund will be invested in United States Government Treasury obligations or United States Treasury money market funds.

EXECUTION COPY

31. Houlihan/Lawrence will not have any responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, use, or administration of the Settlement Fund, including, but not limited to, the costs and expenses of such investment, distribution, use or administration except as expressly otherwise provided in this Settlement Agreement. Houlihan/Lawrence's only payment obligation is to pay the Total Monetary Settlement Amount, unless expressly stated otherwise herein.

32. There will be no reduction of the Total Monetary Settlement Amount based on Opt-Outs. The Settlement will be non-reversionary except as provided otherwise in this Settlement Agreement. If the Settlement becomes Effective, no proceeds from the Settlement will revert to the Houlihan/Lawrence regardless of the claims that are made.

33. No disbursements shall be made from the Settlement Fund prior to the Effective Date of this Settlement Agreement unless expressly authorized by this Settlement Agreement.

34. The distribution of the Settlement Fund shall be administered pursuant to a plan of allocation (the "Plan of Allocation") proposed by Co-Lead Counsel in their sole and absolute discretion and subject to the approval of the Court.

Houlihan/Lawrence will have no participatory or approval rights with respect to the

EXECUTION COPY

Plan of Allocation. It is understood and agreed by the Settling Parties that any proposed Plan of Allocation, including, but not limited to, any adjustments to an authorized claimant's claim, is completely independent of and is not a part of this Settlement Agreement and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of this Settlement Agreement. The Settlement Class, Plaintiffs, and Houlihan/Lawrence shall be bound by the terms of this Settlement Agreement, irrespective of whether the Court or any other court, including on any appeal, disapproves or modifies the Plan of Allocation, and any modification or rejection of the Plan of Allocation shall not affect the validity or enforceability of this Settlement Agreement or otherwise operate to terminate, modify, or cancel that Agreement.

35. The Releasing Parties will look solely to the Settlement Fund for settlement and satisfaction against the Released Parties of all Released Claims and shall have no other recovery against Houlihan/Lawrence or the Released Parties.

Taxes

36. Co-Lead Counsel is solely responsible for filing all informational and other tax returns necessary to report any net taxable income earned by the Settlement Fund and shall file all informational and other tax returns necessary to report any income earned by the Settlement Fund and shall be solely responsible for taking out of the Settlement Fund, as and when legally required, any tax payments, including interest

EXECUTION COPY

and penalties due on income earned by the Settlement Fund. All taxes (including any interest and penalties) due with respect to the income earned by the Settlement Fund shall be paid from the Settlement Fund. Houlihan/Lawrence has no responsibility to make any filings relating to the Settlement Fund and will have no responsibility to pay tax on any income earned by the Settlement Fund or to pay any taxes on the Settlement Fund unless the Settlement does not become Effective and the Settlement Fund is returned to Houlihan/Lawrence. In the event the Settlement does not become Effective and any funds including interest or other income are returned to Houlihan/Lawrence, Houlihan/Lawrence will be responsible for the payment of all taxes (including any interest or penalties), if any, on said interest or other income. Houlihan/Lawrence makes no representations regarding, and will not be responsible for, the tax consequences of any payments made pursuant to this Settlement Agreement to Co-Lead Counsel or to any Settlement Class Member.

Rescission

37. If the Court does not certify the Settlement Class as defined in this Settlement Agreement, or if the Court does not approve this Settlement Agreement in all material respects, or if such approval is modified in or set aside on appeal in any material respects, or if the Court does not enter final approval, or if any judgment approving this Settlement Agreement is materially modified or set aside on appeal, or if all of the conditions for the Effective Date do not occur, then this Settlement Agreement

EXECUTION COPY

may be rescinded by Houlihan/Lawrence or by Plaintiffs on behalf of the Settlement Class by written notice to the Court and to counsel for the other Settling Party filed and served within 10 business days of the entry of an order not granting court approval or having the effect of disapproving or materially modifying the terms of this Settlement Agreement. A modification or reversal on appeal of any amount of the Settlement Fund that the Court authorizes to be used to pay Plaintiffs' fees or litigation expenses shall not be deemed a modification of all or a part of the terms of this Settlement Agreement or such final judgment order. After the deadline for filing timely Opt-Out requests has passed, Plaintiffs will provide to Houlihan/Lawrence a list of exclusion requests. In its sole discretion, Houlihan/Lawrence shall have the right to rescind or terminate this Settlement Agreement if there are more than two-hundred (200) Opt-Out requests for exclusion.

38. If the Settlement or Settlement Agreement is rescinded or terminated for any reason, then the balance of the Total Monetary Settlement Amount in the Settlement Fund will be returned to Houlihan/Lawrence. In the event that this Settlement Agreement is rescinded, the funds already expended from the Settlement Fund for the costs of Class Notice and administration will not be returned to Houlihan/Lawrence. Funds to cover Class Notice and administration expenses that have been incurred but not yet paid from the Settlement Fund also will not be returned to Houlihan/Lawrence.

EXECUTION COPY

39. If the Settlement or Settlement Agreement is rescinded or terminated for any reason permitted under this Settlement Agreement, then the Settling Parties will be restored to their respective positions in the Actions as of the Execution Date. In the event of a rescission or termination for any reason permitted under this Agreement, the Actions will proceed as if this Settlement Agreement had never been executed and this Settlement Agreement, and representations made in conjunction with this Settlement Agreement, may not be used in the Actions or otherwise for any purpose. Houlihan/Lawrence and Plaintiffs expressly reserve all rights if this Settlement Agreement does not become Effective or if it is rescinded or terminated as permitted by this Agreement by Houlihan/Lawrence or the Plaintiffs, including Houlihan/Lawrence's rights to seek review, including appeal, of any judgment or order entered on any available ground at any time.

40. The Settling Parties agree that pending deadlines for motions not yet filed, and any pending deadlines in any appeals, shall be tolled for the period from the Execution Date, until the date this Settlement Agreement is rescinded, and no Settling Party shall contend that filing or renewal of such motions was rendered untimely by or was waived by the operation of this Settlement Agreement. The Settling Parties further agree that, within five business days of the Execution Date, they will jointly petition the court overseeing the Action, and any appellate courts, to request a stay of all pending deadlines.

EXECUTION COPY

41. The Settling Parties' rights to terminate this Settlement Agreement and withdraw from this Settlement Agreement are a material term of this Settlement Agreement.

42. Houlihan/Lawrence reserves all of its legal rights and defenses with respect to any claims brought by potential Opt-Outs.

Practice Change

43. By March 1, 2025, Houlihan/Lawrence will implement the following practice change:

- Eliminate and prohibit all "in house" bonus payment programs, and cease and refrain from offering any additional "in house" bonus payment programs. For the avoidance of doubt, "in house" bonus payment programs include only programs that vary an independent contractor real estate agent's commission split (i.e., commission allocation between Houlihan/Lawrence and the independent contractor real estate agent) based upon the fact that both the seller and the buyer in a particular home sale or purchase transaction were each represented by a Houlihan/Lawrence independent contractor real estate agent.

44. If in an action or proceeding brought against, or involving, Houlihan/Lawrence by the United States Department of Justice, United States Federal Trade Commission, or any State Attorney General or Secretary of State and a final judgment is entered by a court (with all stay rights exhausted) which requires Houlihan/Lawrence to adopt any practice change that are inconsistent with the practice change required by this Settlement Agreement, Houlihan/Lawrence may comply with the terms of such judgment, unless the judgment is reversed or vacated,

notwithstanding the practice change specified in this Settlement Agreement. In such circumstance Houlihan/Lawrence will continue to be obligated to observe the practice change specified in this Settlement Agreement that are not affected by such judgment.

Miscellaneous

45. This Settlement Agreement and any actions taken to carry out the Settlement are not intended to be, nor may they be deemed or construed to be, an admission or concession of liability, or of the validity of any claim, defense, or point of fact or law on the part of any Settling Party. Houlihan/Lawrence denies the allegations of the complaints in the Action. Neither this Settlement Agreement, nor the fact of Settlement, nor settlement proceedings, nor the settlement negotiations, nor any related document, shall be used as an admission of any fault or omission by Houlihan/Lawrence, or be offered in evidence as an admission, concession, presumption, or inference of any wrongdoing by Houlihan/Lawrence in any proceeding.

46. This Settlement Agreement was reached with the assistance of counsel after arm's length negotiations. The Settling Parties also participated in mediation sessions before a neutral mediator. The Settling Parties reached this Settlement Agreement after considering the risks and costs of litigation. The Settling Parties agree to continue to maintain the confidentiality of all settlement discussions and materials exchanged during the settlement negotiations.

EXECUTION COPY

47. The terms of the settlement continue to be subject to mediation privilege and must be kept strictly confidential until **9AM Eastern Time on Friday, October 11, 2024**, except as necessary for Houlihan/Lawrence to inform certain affiliates or as otherwise agreed in writing by the Co-Lead Counsel and Houlihan/Lawrence.

48. Any disputes relating to this Settlement Agreement will be governed by New York law without regard to conflicts of law provisions.

49. This Settlement Agreement constitutes the entire agreement among Plaintiffs and Houlihan/Lawrence pertaining to the Settlement of the Action. This Settlement Agreement may be modified or amended only by a writing executed by Plaintiffs and Houlihan/Lawrence.

50. This Settlement Agreement may be executed in counterparts by Plaintiffs and Houlihan/Lawrence, and a facsimile, e-sign, or pdf signature shall be deemed an original signature for purposes of executing this Settlement Agreement.

51. Neither Plaintiffs nor Houlihan/Lawrence shall be considered the drafter of this Settlement Agreement or any of its provisions for the purpose of any statute, the common law, or rule of interpretation that would or might cause any provision of this Settlement Agreement to be construed against the drafter.

52. The provisions of this Settlement Agreement shall, where possible, be interpreted in a manner to sustain their legality and enforceability.

EXECUTION COPY

53. The Court shall retain jurisdiction over the implementation and enforcement of this Settlement Agreement and the Settlement.

54. The terms of this Settlement Agreement are and shall be binding upon and inure to the benefit of, to the fullest extent possible, each of the Releasing Parties and the Released Parties, and upon all other Persons claiming any interest in the subject matter hereto through any of the Settling Parties, Releasing Parties, Released Parties, and any Settlement Class Members.

55. Any disputes between Houlihan/Lawrence and Co-Lead Counsel concerning this Settlement Agreement shall, if they cannot be resolved by the Settling Parties, be presented first to a mediator agreed to by the parties for assistance in mediating a resolution and, if a resolution is not reached, to the Court.

56. Each Settling Party acknowledges that it has been and is being fully advised by competent legal counsel of such Settling Party's own choice and fully understands the terms and conditions of this Settlement Agreement, and the meaning and import thereof, and that such Settling Party's execution of this Settlement Agreement is with the advice of such Settling Party's counsel and of such Settling Party's own free will. Each Settling Party represents and warrants that it has sufficient information regarding the transaction and the other parties to reach an informed decision and has, independently and without relying upon the other parties, and based

on such information as it has deemed appropriate, made its own decision to enter into this Settlement Agreement and was not fraudulently or otherwise wrongfully induced to enter into this Settlement Agreement.

57. The Settling Parties shall have the right to amend this Settlement Agreement, upon mutual written consent, to correct any scrivener's errors in this Settlement Agreement, provided that such amendment does not materially adversely affect the rights of the Settling Parties.

58. Each of the undersigned attorneys represents that he or she is fully authorized to enter into the terms and conditions of, and to execute, this Settlement Agreement.

I. Introduction

1. I have been engaged by Mintz, Levin, Cohn, Ferris, Glovsky, and Popeo, P.C. (“Class Counsel”) in its capacity as co-legal counsel for, and on behalf of, Pamela Goldstein, Dr. Ellyn and Tony Berk, as Administrators of the Estate of Winifred Berk, and Paul Benjamin, on behalf of themselves and all others similarly situated (the “Plaintiffs” or the “Class”). Class Counsel retained me in connection with the ongoing dispute between the Class and Houlihan Lawrence Inc. (“Houlihan Lawrence” or the “Defendant”)¹ pending in the Supreme Court of the State of New York, Commercial Division (the “Court”).²

2. I am a Partner at Floyd Advisory LLC, a consulting firm with offices in Boston and New York City. Before Floyd Advisory, I worked in the Dispute Advisory and Forensics group at Alvarez & Marsal, and prior to that in the Financial and Economic Consulting group at Huron Consulting Group. Prior to Huron Consulting Group, I worked in the audit practice in Arthur Andersen’s Boston office, which is where I started my career.

3. I am a licensed Certified Public Accountant. I have earned the American Institute of Certified Public Accountants’ (“AICPA”) Accreditation in Business Valuation and Certification in Financial Forensics. During my career in the accounting profession, I have worked on numerous financial and damages analyses, valuation assignments, financial reporting projects, financial fraud investigations, and other similar assignments.

4. My curriculum vitae is attached as **Exhibit A** and includes a list of (a) my publications over the last ten years; and (b) all cases in which, during the past four years, I have testified at trial or by deposition.

5. This report is based on my education, training, experience, and the work performed by me and other Floyd Advisory personnel and contractors³ working under my direction and supervision (“Floyd Advisory”). This report is also based on assumptions I made in my review of the documentation discussed herein that, in part, involved discussions with Class Counsel. I performed

this engagement in accordance with the guidelines of the AICPA Code of Professional Conduct and the AICPA's Statements on Standards for Consulting Services.⁴

6. My hourly rate for this engagement is \$625 and my compensation is not contingent on any action or event resulting from the analyses or calculations in this report or its use by the Class in this matter.

7. Attached as **Exhibit B** is a list of the materials I considered to perform the review and make the findings described herein.

II. Single-Licensee Transaction Review

A. Background

8. On April 6, 2022, Houlihan Lawrence produced the post-class certification "class member list," containing 9,448 transactions (the "April 2022 Class Member List"), that is attached as **Exhibit C**. According to Houlihan Lawrence, the April 2022 Class Member List contained transactions in its Profit Power database that (a) were recoded as a residential, closed, sales transactions; (b) closed between 1/1/2011 and 7/14/2018; (c) had a zip code or city name within Westchester, Putnam or Dutchess counties; and (d) were recorded as "Our List and Sale."⁵

9. On April 29, 2022, Houlihan Lawrence moved to amend the Class to exclude "2,343 transactions" on the April 2022 Class Member List in which "there was only a single real estate agent involved" in the transaction (the "Motion" or "Motion to Amend").⁶ In that Motion, Houlihan Lawrence said, "Most 'dual agent' transactions are easy to identify because there were two Houlihan Lawrence agents involved — one representing the seller and one representing the buyer" (the "Multiple-Licensee Transactions").⁷ Houlihan Lawrence argued, however, that in transactions where "there was only a single real estate agent involved," which it called "Single-

Agent Transactions,” “if the single agent only represented the seller — and the buyer was an unrepresented customer — there was no dual agency at all in these transactions.”⁸

10. On May 24, 2022, the Class opposed the Motion to Amend, arguing that Real Property Law (“RPL”) § 443 required Houlihan Lawrence to give consumers a New York State Disclosure Form for Buyer and Seller (the “Statutory Disclosure Form” or “Form”) marked to indicate whether it was acting as a dual agent.⁹ As illustrated below, that Form “provides a space to identify the salesperson and brokerage firm providing the Form to the consumer, and to identify on whose behalf they are acting and their role (Seller’s Agent, Buyer’s Agent, Dual Agent, or Dual Agent with Designated Sales Agent).”¹⁰

This form was provided to me by _____ of _____

a licensed real estate broker acting in the interest of the:

<input type="checkbox"/> Seller as a (check relationship below)	<input type="checkbox"/> Buyer as a (check relationship below)
<input type="checkbox"/> Seller’s Agent	<input type="checkbox"/> Buyer’s Agent
<input type="checkbox"/> Broker’s Agent	<input type="checkbox"/> Broker’s Agent
<input type="checkbox"/> Dual Agent	
<input type="checkbox"/> Dual Agent with Designated Sales Agent	

Accordingly, the Class argued, it should be possible to determine whether Houlihan Lawrence acted as a dual agent in those transactions where “there was only a single agent involved,” by “looking [in Houlihan Lawrence’s transaction files] to see whether it checked a dual-agency relationship box on the Form.”¹¹

11. On June 8, 2022, the Court denied Houlihan Lawrence’s Motion to Amend, finding, “it strains credulity that HL’s own internal documentation would not distinguish between transactions in which one HL agent represented both parties and those where one party was unrepresented”.¹²

B. Scope of assignment

12. Following the Court’s decision, Class Counsel asked me to review the April 2022 Class Member List to try to identify the transactions in which “there was only a single agent involved,”

⁸ *Id.* at p. 2.

including, as defined by Houlihan Lawrence in the Motion to Amend, transactions in which the same set of Houlihan Lawrence sales agents were identified on both sides of the transaction.¹³

13. Class Counsel then asked me to review the Forms in Houlihan Lawrence's transaction files for those transactions to determine whether, based on the criteria and process described below, Houlihan Lawrence acknowledged having acted as a dual agent.

C. The Single-Licensee Transaction review population

14. In the Motion to Amend, Houlihan Lawrence did not specifically identify the 2,343 transactions on the April 2022 Class Member List where "there was only a single agent involved". However, Floyd Advisory identified a similar number of 2,295 transactions by reviewing the April 2022 Class Member List for transactions in which the same sales agent, or set of sales agents, was identified on both sides of the transaction (the "Single-Licensee Transactions"). Specifically, Floyd Advisory identified 2,104 transactions on the April 2022 Class Member List in which only one sales agent was identified as both the "Listing Agent" and "Selling Agent" and another 191 transactions in which the same set of sales agents was identified as both the "Listing and Co-Listing Agents" and the "Selling and Co-Selling Agents." These 2,295 transactions are identified as "SLT," shorthand for "Single-Licensee Transaction". Also, attached as **Exhibit D** is a discrete list of the 2,295 transactions derived from the April 2022 Class Member List.

15. Following the Court's denial of the Motion to Amend, I understand that, by agreement, the parties removed from the April 2022 Class Member List (a) individuals who signed arbitration agreements with Houlihan Lawrence; (b) commercial and rental transactions; (c) transactions outside the Class definition's geographic area; and added (d) certain transactions that had been omitted from the April 2022 Class Member List. Those agreed-upon deletions and additions resulted in the new "class member list" of 9,472 transactions identified in **Exhibit E** (the "March 2023 Class Member List").

16. Beginning on March 24, 2023, JND Legal Administration ("JND"), the Court-appointed class notice administrator, began sending the Court-approved class notice to the Class members identified on the March 2023 Class Member List.

17. The March 2023 Class Member List includes transactions on the April 2022 Class Member List and transactions that were not on the April 2022 Class Member List. In total, Floyd Advisory identified 2,300 transactions where "there was only a single agent involved" on the March 2023

¹³ Motion to Amend (Dkt. 1306), April 29, 2022, at 5, FN 3

Class Member List. Attached as **Exhibit F** is a list of the Single-Licensee Transactions on the March 2023 Class Member List.¹⁴

D. The Single-Licensee Transaction files

18. Class Counsel sent Floyd Advisory what I understand to be every transaction file that Houlihan Lawrence produced in this litigation for the Single-Licensee Transactions. Floyd Advisory did not verify the completeness of the data provided by Houlihan Lawrence and Class Counsel. Included in **Exhibit B** is a list of the Bates numbers reviewed by Floyd Advisory for the Single-Licensee Transactions.

E. Excluded transactions

a. No transaction files

19. Floyd Advisory did not receive a transaction file for all Single-Licensee Transactions identified in **Exhibit C**. As such, Floyd Advisory lacked sufficient information to make an agency relationship finding for Single-Licensee Transactions without a transaction file.

b. Incorrect files or No Form

20. In some cases, Floyd Advisory received what appeared to be an incorrect transaction file even though it had a property address corresponding to Single-Licensee Transaction. Specifically, Floyd Advisory's comparison of transaction data (*e.g.*, close date, agent and party names) on the April 2022 Class Member List, with key documents (*e.g.*, memorandum of agreement) in the transaction file, showed that the file appeared to relate to a prior or subsequent transaction involving the same property rather than the Single-Licensee Transaction on the March 2023 Class Member List. Floyd Advisory lacked sufficient information to make an agency relationship finding in these Single-Licensee Transactions. Also, in other cases Floyd Advisory did not locate a Form in the file related to the Single-Licensee Transaction and, therefore, Floyd Advisory lacked sufficient information to make an agency relationship finding in these Single-Licensee Transactions.

c. Outside the Class

21. Floyd Advisory excluded from consideration 14 transactions that appear to be either rental or commercial real estate transactions. Consistent with the parties' prior to agreement to exclude

¹⁴ Floyd Advisory was unable to determine a Single- or Multi-Licensee Transaction determination for six transactions on the March 2023 Class Member List as agent listing details for each was not available in the 2019 MLS Data.

such transactions from the Class, Floyd Advisory did not make an agency relationship finding in these Single-Licensee Transactions.

F. Indications of dual agency

22. Floyd Advisory searched the file for the remaining Single-Licensee Transactions for (1) a Form: (a) dated after the listing date;¹⁵ and (b) with either: (i) the Dual Agent “check box” checked; (ii) the Dual Agent with Designated Sales Agent “check box” checked; or (iii) the “appointed to represent” field completed for both buyer and seller; or for (2) a Form: (a) dated on or before the listing date; and (b) with the “appointed to represent” field completed for both the buyer and seller (the “Dual Agency Indications”).¹⁶

23. As illustrated below, Floyd Advisory found that the Single-Licensee Transaction indicated dual agency if a post-listing date Form was checked to indicate that Houlihan Lawrence was acting as a “Dual Agent”:

This form was provided to me by _____ of _____
(Print Name of Licensee) (Print Name of Company, Firm or Brokerage)

a licensed real estate broker acting in the interest of the:

<input type="checkbox"/> Seller as a <i>(check relationship below)</i>	<input type="checkbox"/> Buyer as a <i>(check relationship below)</i>
<input type="checkbox"/> Seller's Agent	<input type="checkbox"/> Buyer's Agent
<input type="checkbox"/> Broker's Agent	<input type="checkbox"/> Broker's Agent
<input checked="" type="checkbox"/> Dual Agent	
<input type="checkbox"/> Dual Agent with Designated Sales Agent	

24. Similarly, as illustrated below, Floyd Advisory found that the Single-Licensee Transaction indicated dual agency if a post-listing date Form was checked to indicate that Houlihan Lawrence was acting as a “Dual Agent with Designated Sales Agent”:

¹⁵ With regard to buyer Forms, Floyd Advisory also considered Forms dated on the listing date when making a dual agency determination, as well as when making a timeliness determination as discussed further in Section III.E below.

¹⁶ For the few instances where the only Dual Agency Indication in the transaction file was a signed but undated buyer Form, Floyd Advisory relied on the undated buyer Form to make a dual agency determination.

This form was provided to me by _____ of _____
(Print Name of Licensee) (Print Name of Company, Firm or Brokerage)

a licensed real estate broker acting in the interest of the:

<input type="checkbox"/> Seller as a (check relationship below)	<input type="checkbox"/> Buyer as a (check relationship below)
<input type="checkbox"/> Seller's Agent	<input type="checkbox"/> Buyer's Agent
<input type="checkbox"/> Broker's Agent	<input type="checkbox"/> Broker's Agent
<input type="checkbox"/> Dual Agent	
<input checked="" type="checkbox"/> Dual Agent with Designated Sales Agent	

25. Finally, as illustrated below, Floyd Advisory found that the Single-Licensee Transaction indicated dual agency, regardless of what agency relationship the Form may have otherwise indicated, if the “appointed to represent” field was completed for both the buyer and the seller. In making that finding, I understood that agents would have been “appointed to represent” the buyer and seller only if Houlihan Lawrence was acting as a dual agent.

If dual agent with designated sales agents is indicated above: Jane Roe is appointed to represent the
 buyer; and John Doe is appointed to represent the seller in this transaction.

26. In all other transactions, including those discussed *infra* at Section III.G, Floyd Advisory found that the Forms in the Single-Licensee Transaction file did not indicate dual agency.

G. Exclusion of other potential indications of dual agency

27. Floyd Advisory did not find that the Single-Licensee Transaction indicated dual agency, even if a Form in the file contained Dual Agency Indications (1)(b)(i) or (1)(b)(ii), *see supra* at ¶ 22, if that Form was dated before the listing date. Floyd Advisory did not find such Forms to indicate dual agency because Houlihan Lawrence may have checked the “Dual Agent” or “Dual Agent with Designated Sales Agent” “check boxes” prior to listing the property and before a dual agency would have arisen. Applying this rule means that Floyd Advisory’s findings may understate the number of dual agent Single-Licensee Transactions because its findings do not include transactions where Houlihan Lawrence altered a pre-listing date Form after a dual agency arose to indicate dual agency by checking a dual agency “check box”.

28. Floyd Advisory also did not find that the Single-Licensee Transaction indicated dual agency, even if a Form in the file was checked “Buyer’s Agent,” indicating an agency relationship on both sides of the transaction, if the file did not also contain either (a) a post-listing date Form with a Dual Agency Indication; or (b) a Form dated on or before the listing date with the “appointed to represent” fields completed. Floyd Advisory did not find Forms checked “Buyer’s Agent” to indicate dual agency because I understand that Houlihan Lawrence could have later changed the buyer from a “client” to an unrepresented “customer” to avoid dual agency. Applying this rule means that Floyd Advisory’s findings may understate the number of dual agent Single-Licensee

Transactions, because its findings do not include transactions where Houlihan Lawrence acted as a dual agent but did not get a new Form signed by the buyer once the dual agency arose.

H. Single-Licensee Transaction review findings

29. The results of Floyd Advisory's Single-Licensee Transaction file review are summarized below in **Table 1** and further identified in **Exhibit D**:

Table 1

Single-Licensee Transaction File Review Findings		
Finding	Transaction Count	Percent of Population
Dual agency indicated	627	34.6%
Dual agency not indicated	585	32.3%
Indication not available	598	33.0%
Total	1,810	100%

III. Sample Transaction Review

A. The NERA Transactions

30. On October 18, 2018, counsel for Houlihan Lawrence represented to the Court that Houlihan Lawrence could identify its dual-agent transactions by searching the multiple listing service ("MLS") in its service areas for transactions in which the MLS recorded it as having been both the "Listing Office" and the "Selling Office."¹⁷

31. On or around January 28, 2019, Houlihan Lawrence produced two transaction lists, compiled from the MLS and totaling 10,322 transactions, in which Houlihan Lawrence appeared as both the "Listing Office" and the "Selling Office" for the period January 1, 2011 through October 31, 2018 (the "2019 MLS Lists").¹⁸

32. On or about January 15, 2019, the Court directed the parties to select a statistical sample of the transactions on the 2019 MLS Lists.¹⁹

33. On February 14, 2019, NERA Economic Consulting (“NERA”), an economic consulting firm retained by the Class, drew a simple random sample consisting of the 424²⁰ transactions identified in **Exhibit G** (the “NERA Transaction Population”).²¹ NERA selected the NERA Transaction Population in accordance with the sampling methodology NERA set forth in its February 8, 2019 memo, which the Class provided to Houlihan Lawrence for its review and comment that same day.²²

34. NERA conducted statistical representativeness tests comparing the NERA Transaction Population to the 2019 MLS Lists, the results of which the Class provided to Houlihan Lawrence for its review and comment on February 14, 2019.²³ NERA represented that its statistical representativeness tests confirmed the representativeness of the NERA Transaction Population to the transactions on the 2019 MLS Lists to a 95% confidence level.²⁴

35. On December 6, 2021, in its opposition to the Class’s motion for class certification, Houlihan Lawrence advised the Court that it could reliably extrapolate to the 2019 MLS Lists from the NERA Transaction Population:

In 2019, Plaintiffs’ statistical expert, Dr. Sabry, selected a random sample of 425 transactions out of the 10,000 at issue to resolve the issue of which sample transaction files would be collected and produced for class certification discovery. HLEx.1 at 2-3 ¶¶4-6, 26-41 (correspondence on protocol and results; *see id.* at 28 (methodology); *id.* at 40-41 (confirming representativeness through statistics)).²⁵

B. Scope of assignment

36. Class Counsel asked Floyd Advisory to review Houlihan Lawrence’s transaction file for each NERA Transaction to determine whether, based on the objective criteria and formalized process discussed in § III.E., Houlihan Lawrence got the buyer and seller to sign a Form marked

²⁰ Floyd Advisory found that the 425-transaction NERA sample appears to include one transaction, 29 Blackthorn Loop, twice. Floyd Advisory refers then to a 424-transaction sample.

to indicate dual agency before Houlihan Lawrence began acting as a dual agent in their transactions.

C. Excluded transactions

a. *Certain single-licensee transactions*

37. Floyd Advisory used the same process and criteria described above for the Single-Licensee Transaction review to analyze the 2019 MLS List to identify the NERA Transaction Population where “there was only a single agent involved” (the “Single-Licensee NERA Transactions”). Attached as **Exhibit H** is a list of the Single-Licensee NERA Transactions.

38. At the direction of Class Counsel, Floyd Advisory then used the same process and criteria described above for the Single-Licensee Transaction review to review the Single-Licensee NERA Transactions to determine whether there was a Form in the transaction file with a Dual Agency Indication.

39. At the direction of Class Counsel, Floyd Advisory excluded the 83 transactions identified in **Exhibit H** as “EX-SLT-DANI,” shorthand for “Excluded – Single-Licensee Transaction – Dual Agency Not Indicated,” because I understand that Houlihan Lawrence was required to obtain timely written consent to dual agency only if it acted as a dual agent.

b. *Related-party transactions*

40. Consistent with the Class definition, Floyd Advisory excluded the 4 transactions identified in **Exhibit H** as “EX-RPT,” shorthand for “Excluded - Related-Party Transaction,” because the transaction data or documentation indicated that the buyer or seller was, or shared the same last name with, a Houlihan Lawrence sales agent identified by the 2019 MLS List as the “Listing” or “Selling” agent.

c. *Commercial transactions*

41. Consistent with the Class definition, Floyd Advisory excluded the 4 transactions identified in **Exhibit H** as “EX-CT,” shorthand for “Excluded - Commercial Transaction,” because the transaction data or documentation indicated that the transaction involved commercial (as opposed to residential) real estate.

D. Sample Transaction review population

42. Applying these exclusions to the NERA Transaction Population resulted in a review population of the 320 dual-agent transactions identified in **Exhibit G** as “ST,” shorthand for “Sample Transaction”).

43. Class Counsel sent Floyd Advisory what I understand to be every transaction file that Houlihan Lawrence produced in this litigation for the Sample Transactions. Floyd Advisory did not verify the completeness of the data provided by Houlihan Lawrence and Class Counsel. Included in **Exhibit B** is a list of the Bates numbers corresponding to the files reviewed by Floyd Advisory for the Sample Transactions.

E. Sample Transaction review methodology

a. Background

44. In its motion for class certification, the Class contended, “In New York, it is illegal for a real estate broker to act as a dual agent on behalf of the buyer and the seller in the same transaction unless and until the broker fully discloses all facts material to the dual agency and obtains both parties’ informed written consent.”²⁶

45. According to Tom Cusack, a New York real estate pre-licensing and continuing education instructor retained by the Class, it is possible to determine whether Houlihan Lawrence obtained timely written consent by comparing the signature date on the Forms in the transaction file with other documented dates by which Houlihan Lawrence would have begun acting as a dual agent.²⁷

46. Houlihan Lawrence would have begun acting as a dual agent in the Sample Transactions, according to Mr. Cusack, not later than (and typically well before) when a Houlihan Lawrence buyer client made an offer to purchase a Houlihan Lawrence seller client’s property. As discussed below, Floyd Advisory used the buyer’s purchase offer as the best-available proxy for when a dual agency began in each transaction. Applying that rules means that Floyd Advisory’s findings likely understate the number of Sample Transactions in which Houlihan Lawrence failed to obtain timely written consent.

b. Date comparison

47. Relying on this guidance, Floyd Advisory searched each Sample Transaction file for a post-listing date Form for each of the buyer and seller with a Dual Agency Indication.²⁸ Floyd Advisory then compared the party’s signature date on the Form, if any, to one of the documented dates by which, according to Mr. Cusack, Houlihan Lawrence would have begun acting as a dual agent.²⁹

²⁶ Mot. for Class Certification (Dkt. 688), Nov. 1, 2021 at Preliminary Statement.

²⁷ Affidavit of T. Cusack (Dkt. 694), Nov. 1, 2021 at ¶¶ 57-60.

²⁸ Floyd Advisory disregarded listing date Forms signed by sellers on the assumption that Forms signed before the property listing pre-date any dual agency. Floyd Advisory treated the one buyer Form dated on the listing date as a post-listing Form to be on the assumption that the buyer signed the Form after the property listing.

²⁹ Floyd Advisory did not use undated buyer Forms to make a timeliness determination.

To illustrate, in the Sample Transaction below, Floyd Advisory found that Houlihan Lawrence got the Form signed on January 29, 2015, two days after the documented January 27, 2015 closing date, and thus after it began acting as a dual agent:

48. Many of the Sample Transaction files did not document the date of the buyer's purchase offer. However, the Sample Transaction files typically documented the dates of other key transaction milestones that, according to Mr. Cusack, take place after a buyer makes a purchase offer, including, for instance, the date of the Memorandum of Agreement, Close Date, etc. Attached as **Exhibit I** is a timeline of the post-offer transaction dates that Floyd Advisory used to make its timeliness determination.

49. Floyd Advisory found that Houlihan Lawrence failed to obtain timely written consent to dual agency from a party if, for that party, Houlihan Lawrence did not produce a file or the file: (a) did not contain: (i) a Form; (ii) a post-listing date Form with a Dual Agency Indication; or (b) contained a post-listing date Form with a Dual Agency Indication but the party's signature was dated: (i) after the buyer's purchase offer date, if available; or (ii) if the buyer's purchase offer date was not available, on or after another documented date by which Houlihan Lawrence would have been acting as a dual agent.

50. Because the Sample Transaction files did not document when the dual agency began, Floyd Advisory was unable to make a timeliness determination where the signature date on the post-listing date Form with a Dual Agency Indication was: (a) on or before the offer date; or (b) before one of the post-offer documented dates and the offer date was undocumented. For obvious reasons, Floyd Advisory was also unable to make a timeliness determination where the signature on the Form with a Dual Agency Indication was undated.

c. *“Transactional” consent*

51. According to RPL § 443, a consumer may indicate their “advance informed consent to dual agency” and “advance informed consent to dual agency with designated sales agents” by checking the corresponding “check box” on the Form.

For advance informed consent to either dual agency or dual agency with designated sales agents complete section below:

- Advance Informed Consent Dual Agency
 Advance Informed Consent to Dual Agency with Designated Sales Agents

52. According to Mr. Cusack, even if the buyer or seller had previously signed a Form with the “advance informed consent” “check boxes” checked, Houlihan Lawrence was still required, once a dual agency arose with specific Houlihan Lawrence buyer and seller clients, to get them to sign a new “transactional” consent Form disclosing Houlihan Lawrence’s particular dual agent relationship.³⁰

53. Relying on this guidance, Floyd Advisory made its timeliness determinations without regard for pre-listing date Forms with one or more “advance informed consent” “checked boxes” checked.

54. Floyd Advisory disregarded pre-listing date Forms with one or more “advance informed consent” “checked boxes” checked in its timeliness determination even when the Sample Transaction files contained differently marked Forms with identical signatures and dates, indicating post-signature alteration of the original Form. To illustrate, the Forms in **Example 2** below show post-signature alterations to reflect two additional agency relationships, “advance” consent, and the names of the sales agents “appointed to represent” the parties as Designated Sales Agents.

55. In all other cases, Floyd Advisory used the earliest-dated post-listing date Form with a Dual Agency Indication to make its timeliness determination (the “Transactional’ Form”).

d. Missing transaction files

56. Floyd Advisory did not receive a transaction file for certain Sample Transactions discussed further in the section below. Floyd Advisory included these transactions in its count of Sample Transactions in which Houlihan Lawrence failed to produce a “transactional” consent Form showing it obtained timely written consent to dual agency before acting as a dual agent.

F. Sample Transaction review findings

57. Floyd Advisory’s findings with respect to the timeliness of the “transactional” consent Forms in the Sample Transaction files are summarized below in **Table 2** and further identified in **Exhibit J**.³¹

³¹ The following key code is used in **Exhibit J** to report Floyd Advisory’s findings: “NFF” – “No File or Form”; “NTF” – “No ‘Transactional’ Form”; “UTF” – “Untimely ‘Transactional’ Form”; “TDU” – “Timeliness Determination Unavailable”

Table 2

“Transactional” Written Consent by Sellers and Buyers				
Finding	Seller		Buyer	
	Count	Percent	Count	Percent
No File or Form	22	6.9%	65	20.3%
No “Transactional” Form	201	62.8%	56	17.5%
Untimely “Transactional” Form	47	14.7%	82	25.6%
Timeliness determination unavailable	50	15.6%	117	36.6%
Total	320	100.0%	320	100.0%

58. For avoidance of confusion: (a) “No File or Form” means that Houlihan Lawrence did not produce a transaction file for the transaction or the file did not contain a Form; (b) “No ‘Transactional’ Form” means the file did not contain a post-listing date Form with a Dual Agency Indication;³² (c) “Untimely ‘Transactional’ Form” means the file contained a post-listing date Form with a Dual Agency Indication but it was signed (i) after the offer date; or (ii) on or after one of the other documented dates by which Houlihan Lawrence would have been acting as a dual agent; and (d) “Timeliness determination unavailable” means the file contained a post-listing date or undated Form with a Dual Agency Indication but a timeliness determination could not be made by reference to the offer date or one of the other documented dates by which Houlihan Lawrence would have been acting as a dual agent.

a. Sellers

59. Floyd Advisory found that Houlihan Lawrence very often (69.7%) failed to obtain “transactional” written consent to dual agency, and it was frequently untimely (14.7%) when it did. In total, the Sample Transaction files show that Houlihan Lawrence failed to obtain the requisite timely written consent from not less than 84.4% (270/320) of the sellers in the Sample Transactions.

³² This category therefore includes transactions in which the file contained only (a) an undated Form without a Dual Agency Indication; (b) a pre-listing date Form with or without a Dual Agency Indication; (c) listing date seller Forms with or without a Dual Agency Indication; (d) listing date buyer Forms without a Dual Agency Indication; and (e) a post-listing date Form without a Dual Agency Indication. Floyd Advisory found that a timeliness determination was unavailable for listing date buyer Forms with a Dual Agency Indication unless it was dated after the offer date, or if the offer date was unavailable, on or after one of the other documented dates by which Houlihan Lawrence would have been acting as a dual agent.

60. Floyd Advisory found that Houlihan Lawrence may have obtained “advance” consent from sellers if, the Sample Transaction file contained a Form that was: (a) signed on or before the Listing Date; and (b) one or more of the “advance” consent “check boxes” was checked.³³ Floyd Advisory did not assess whether the “advance” consent “check box” checked on the Form conformed to the parties’ eventual dual-agent relationship. Floyd Advisory found that Houlihan Lawrence obtained “advance” consent from sellers in 59.1% (189/320) of the Sample Transactions. Attached as **Exhibit K** is a list of those 77 transactions in which Floyd Advisory found that Houlihan Lawrence may have obtained “advance” consent.

b. Buyers

61. Floyd Advisory found that Houlihan Lawrence did not produce a file or a file with a Form for more than 20.3% of the buyers in the Sample Transactions. In total, the Sample Transaction files show that Houlihan Lawrence failed to obtain the requisite timely written “transactional” consent from buyers in not less than 63.4% (203/320) of the Sample Transactions.

62. Floyd Advisory found that Houlihan Lawrence may have obtained “advance” consent from buyers if the Sample Transaction file contained a Form that was: (a) signed before one of the documented dates by which Houlihan Lawrence would have been acting as a dual agent; and (b) one or more of the “advance” consent “check boxes” was checked.³⁴ Floyd Advisory did not assess whether the “advance” consent “check box” checked on the Form conformed to the parties’ eventual dual-agent relationship. Floyd Advisory found that Houlihan Lawrence obtained “advance” consent from no more than 30.9% (99/320) of buyers. Attached as **Exhibit K** is a list of the 77 transactions in which Floyd Advisory found that Houlihan Lawrence may have obtained “advance” consent.

c. Combined

63. Overall, the Sample Transactions show that Houlihan Lawrence did not obtain the requisite timely written “transactional” consent to dual agency from one or both parties in not less than 90% (290/320) of the Sample Transactions.

64. Class Counsel asked me to calculate how often Houlihan Lawrence failed to obtain timely written consent from one or both parties if “advance” consent excused Houlihan Lawrence from obtaining “transactional” written consent. To make that determination, Floyd Advisory assumed

³³ Floyd Advisory found that Houlihan Lawrence did not obtain “advance” consent if the aforementioned criteria were not met, including where (a) Houlihan Lawrence did not produce a file; or (b) the file did not contain a dated Form.

³⁴ Floyd Advisory found that Houlihan Lawrence did not obtain “advance” consent if the aforementioned criteria were not met, including where (a) Houlihan Lawrence did not produce a file; or (b) the file did not contain a dated Form.

that Houlihan Lawrence may have obtained timely written consent in any Sample Transaction in which Houlihan Lawrence may have obtained: (a) “advance” consent from both parties; and (b) “advance” consent from one party and a timeliness determination was unavailable on the other side of the transaction. Applying that assumption, Floyd Advisory found that Houlihan Lawrence still failed to obtain timely written consent from one or both parties in not less than 57.2% (183/320) of the Sample Transactions.

IV. “Profit Power” Calculations

A. In-House Bonus Calculations

a. Background

65. I understand that, during the Class Period, Houlihan Lawrence had a policy and practice of paying its sales agents an “in-house bonus” for qualifying in-house sales (the “In-House Bonus”). Specifically, Houlihan Lawrence’s “Agent Company Operations Guidelines” provide, “When Houlihan Lawrence is on both the list side and sale side of a transaction with a minimum of a 5% commission, a 10% in-house bonus will be paid on each side.”³⁵

66. On December 19, 2022, the Discovery Referee, William P. Harrington, directed Houlihan Lawrence to identify its In-House Bonus payments on an Excel spreadsheet within 14 days of the Court’s confirmation of his report and recommendation.³⁶

67. On December 22, 2022, Houlihan Lawrence identified In-House Bonus payments in the form of structured transaction data exported from its internal transaction database, Profit Power (the “Structured Data”).^{37, 38}

68. On February 15, 2023, Houlihan Lawrence produced the “Expert Report of Gary Kleinrichert” (the “Kleinrichert Report”), which purports to identify and quantify the In-House Bonus payments that Houlihan Lawrence made to its agents during the Class Period based on an analysis of the Structured Data.

³⁵ See HL55977 at HL56020

³⁶ See Twenty-Second Report and Recommendation of Discovery Referee (Dkt. 1496), Dec. 19, 2023 at 8

³⁷ See “Profit Power Exports” section in Exhibit B.

³⁸ See Twenty-Fifth Report and Recommendation of Discovery Referee (Dkt. 1569), Mar. 9, 2023 at 4

69. Attached as Exhibit 1 to the Kleinrichert Report is an Excel spreadsheet identifying Houlihan Lawrence’s In-House Bonus payments, the names of the agents who received them, and their “estimated” amounts (the “In-House Bonus Payment Spreadsheet”).³⁹

b. Findings

70. Class Counsel asked me to use the In-House Bonus Payment Spreadsheet to identify the top 10 In-House Bonus payment recipients and the amounts they received during the Class Period (the “Top Bonus Earners”). The results of those calculations are shown below in **Table 3**:

Table 3

Top Bonus Earners		
Rank	Sales Agent Name ⁴⁰	Amount
1	Sheila Stoltz	\$ 338,088
2	Joan O’Meara	\$ 244,313
3	Susan Kelty Law	\$ 234,742
4	Susan Greenberg	\$ 189,149
5	Joan Frederick	\$ 184,722
6	Irene Stahl	\$ 181,828
7	Rita Steinkamp	\$ 161,536
8	Lisa Murphy	\$ 150,234
9	Laura Miller	\$ 109,040
10	David Turner	\$ 106,784

71. Class Counsel also asked me to use the In-House Bonus Payment Spreadsheet to summarize (1) the total amount of In-House Bonus payments made to the Top Bonus Earners during the Class period; (2) the average annual In-House Bonus compensation for the Top Bonus Earners; and (3) the average transactional In-House Bonus amount for the Top Bonus Earners. These summaries are shown below in **Table 4**:

³⁹ See Kleinrichert Report, Feb. 15, 2023 at 20, fn. 44 and Exhibit 1 attached therein.

⁴⁰ Floyd Advisory used “Associate ID” to identify Top Bonus Earners.

Average Annual In-House Bonus Compensation for Top Bonus Earners	\$26,033
Average Transactional In-House Bonus Amount for Top Bonus Earners	\$1,992

72. Additionally, Class Counsel asked me to use the In-House Bonus Payment Spreadsheet to summarize (1) the total amount of all In-House Bonus payments made by Houlihan Lawrence during the Class period; (2) the number of sales agents who received them; and (3) the number of sales transactions which Houlihan Lawrence paid an In-House Bonus. These summaries are shown below in **Table 5**:

Table 5

Total Amount of In-House Bonuses Paid by Houlihan Lawrence	\$10,962,834
Total Number of Sales Agents Who Received an In-House Bonus	1,063
Total Number of Transactions Involving an In-House Bonus	13,230

73. In preparing these summaries, I express no opinion on the completeness of the Structured Data provided to Mr. Kleinrichert nor on the reasonableness or reliability of his analysis of that data. Rather, I take the information provided in the In-House Bonus Payment Spreadsheet as given.

B. Sales Commission Calculations

74. On October 6, 2022, Houlihan Lawrence produced a spreadsheet from its Profit Power database showing, as relevant here, the “Gross Commission” it received on transactions, during the Class period and within the Class geographic area, that it recorded “as a residential, closed,

sales transaction for which the Company represented both buyer and seller” (the “Sales Commission Spreadsheet”).⁴¹

75. In total, the Sales Commission Spreadsheet reported Houlihan Lawrence’s “Gross Commission” for 9,476 transactions. The Gross Commission most often equals the transaction sales price multiplied by the total sales commission rate indicated in the Sales Commission Spreadsheet.

76. The Sales Commission Spreadsheet identified the “Gross Commission” for every transaction on the March 2023 Class Member List except for the 17 transactions identified in **Exhibit L**.

77. Class Counsel asked me to use the Sales Commission Spreadsheet to calculate (1) the total Gross Commission paid for all transactions on the March 2023 Class Member List; and (2) the average commission paid per transaction on the March 2023 Class Member List. The results of those calculations are shown below in **Table 6**:

Table 6

Houlihan Lawrence’s Commissions	
Calculation	Amount
Total Gross Commissions Paid	\$364,837,923
Average Gross Commission Paid per Transaction	\$38,587

78. To calculate the commission figures above, Floyd Advisory identified 9,455 of the 9,472 March 2023 Class Member List sales transactions in the Sales Commission Spreadsheet and totaled the Gross Commission column. The figures in **Table 6** exclude approximately \$484,000 of additional Gross Commission that Floyd Advisory estimates Houlihan Lawrence likely received in connection with the remaining 17 sales transactions on the March 2023 Class Member List not identified in the Sales Commission Spreadsheet.⁴²

⁴¹ Letter from R. MacGill to J. Vest, Oct. 6, 2022 (attaching the Sales Commission Spreadsheet)

⁴² Floyd Advisory estimated Gross Commission for 17 sales transactions included on the March 2023 Class Member List but not in the Sales Commission Spreadsheet by using the 2019 MLS Data to identify the sales price for the specific property and multiplying that by an assumed 5% commission rate. The assumed commission rate of 5% represents the median and mode commission rate across all transactions in the Sales Commission Spreadsheet.

79. Class Counsel also asked me to perform the same calculations but only for (a) the Multiple-Licensee Transactions and (b) the Single-Licensee Transactions that Floyd Advisory found in Section III indicated dual agency (together, the “Modified March 2023 Class Member List”). The results of those calculations are shown below in **Table 7**:

Table 7

Houlihan Lawrence’s Commissions	
Calculation	Amount
Total Gross Commissions Paid for Dual-Agent Transactions	\$314,641,998
Average Gross Commission Paid per Dual-Agent Transactions	\$40,562

80. To determine the Modified March 2023 Class Member List, Floyd Advisory reviewed agent listing details for the sales transactions on the March 2023 Class Member List and identified 7,757 transactions that were either (a) Multiple-Licensee Transactions or (b) Single-Licensee Transactions and indicated dual agency.⁴³ To calculate the commission figures above, similar to **Table 6**, Floyd Advisory identified these sales transactions in the Sales Commission Spreadsheet and totaled the Gross Commission column.

81. Next, Class Counsel asked me to use the Sales Commission Spreadsheet to calculate Gross Commission that Houlihan Lawrence received in connection with transactions on the March 2023 Class Member List in which Houlihan Lawrence paid an In-House Bonus according to the In-House Bonus Spreadsheet. The results of those calculations are shown below in **Table 8**:

Table 8

Houlihan Lawrence’s Commissions from In-House Bonus Transactions	
Calculation	Amount
Total Commissions Paid from In-House Bonus Transactions	\$285,563,802
Average Commission Paid per Transaction with In-House Bonus	\$42,306

⁴³ Floyd Advisory identified agent listing details for every transaction on the Modified March 2023 Class Member List except for the 17 transactions identified in **Exhibit L**.

82. To calculate the commission figures above, Floyd Advisory totaled the Gross Commission column of the Sales Commission Spreadsheet for the 6,750 sales transactions on the March 2023 Class Member List in which Houlihan Lawrence also paid an In-House Bonus on the In-House Bonus Spreadsheet.

83. Finally, Class Counsel asked me to perform the same calculations but only for the transactions on the Modified March 2023 Class Member List in which Houlihan Lawrence paid an In-House Bonus according to the In-House Bonus Spreadsheet. The results of those calculations are shown below in **Table 9**:

Table 9

To calculate the commission figures above, Floyd Advisory totaled the Gross Commission column of the Sales Commission Spreadsheet for the 5,972 sales transactions on the Modified March 2023 Class Member List in which Houlihan Lawrence also paid an In-House Bonus on the In-House Bonus Spreadsheet.

85. In performing the calculations discussed above, I express no opinion on the completeness of the Sales Commission Spreadsheet or on the reasonableness or reliability of the process used by Houlihan Lawrence to create the Sales Commission Spreadsheet. Rather, I take the "Gross Commission" data provided in the Sales Commission Spreadsheet as given.

production of Houlihan Lawrence's transactional database (Profit Power); the existence or lack thereof of a unique field identifying each transaction where an agent received an in-house bonus maintained in the ordinary course of business; the identification of an in-house bonus by transaction agent level on the basis of the data maintained in the ordinary course of business; and the amount of any such in-house bonus received by Houlihan Lawrence agents by transaction. In connection with this matter, I have been asked to collect, reconcile, analyze, quantify, and produce Houlihan Lawrence's transaction records relevant to this litigation in such a way that identifies the existence and amount of each in-house bonus at the transaction agent level where it is possible to do so.

5. I have reviewed a number of documents produced in this case in connection with my engagement. **Appendix B** contains a list of all documents that I have reviewed and considered in reaching my conclusions. Additionally, I, or my team members under my direction, have also interviewed employees of the Company to gain an understanding of the financial accounting records and historical processes utilized by the Company with regards to commission payments.

6. I reserve the right to prepare a separate written response if additional materials and/or information become available. Moreover, should additional information be produced in this matter, I may amend this report or prepare further reports in response to that production.

C. Relevant Case Background

7. Houlihan Lawrence is a "full-service real estate brokerage firm that represents buyers and sellers in real estate transactions" which "owns and operates 30 offices, with over 1,300 agents, across the Westchester, Putnam, and Dutchess tri-county area" in the state of New York.² The nature of this litigation relates to the buying and selling of real estate where the same brokerage firm, Houlihan Lawrence, had agents that represented both sides (buyer and seller) of the transaction. These transactions could involve two different Houlihan Lawrence agents or the same Houlihan Lawrence agent. At issue is the propriety of the "dual agency disclosures" given by Houlihan Lawrence to the consumers in the transactions.³ The Complaint alleges, among other things, that Houlihan Lawrence has financially incentivized its agents to "steer clients into dual-agent transactions"⁴ through what Plaintiffs call "in-house bonuses".⁵

II. EXECUTIVE SUMMARY

8. To perform my analysis, the database containing Houlihan Lawrence's transaction information, Profit Power, was collected. This database was reconciled, on a monthly basis, to key income statement line items related to commissions received from real estate transactions. An analysis of the database was performed which included reviewing and analyzing the fields and data structures maintained within the database in its entirety, performing the financial statement reconciliation, discussions with Company personnel, reviewing an affidavit from Ms. Polly Parrot, and reviewing a sample of paper transaction documents. This analysis resulted in the production of Houlihan Lawrence's structured transaction data on December 22, 2022 and the in-house bonus methodology detailed within this report.

9. From this analysis, there was no unique field that existed in the database showing on a transaction or agent level either (1) the presence of an in-house bonus, or (2) the amount of an in-house bonus paid to an agent. In addition, I observed the following regarding the presence of an in-house bonus in the Profit Power database:

- There is no automatic rule that was applied or can be applied to all transactions to determine in-house bonus existence or eligibility, or in-house bonus amount at the agent-transaction level.
- Not all agent plans are eligible for in-house bonus commission splits.
- Agents eligible for an in-house bonus do not receive an in-house bonus on every transaction where Houlihan Lawrence represented both sides.
- Agents on commission plans which are ineligible for in-house bonuses received in-house bonuses on certain transactions as directed by managers on an individualized basis.

10. In the absence of a unique field or automatic rule that was, or could be, applied to all transactions to determine the presence of an in-house bonus, a methodology was developed to identify those agents that received an in-house bonus on a transaction-by-transaction basis. This methodology is described in **Section V.B.** below, which started with the produced transaction data provided on December 22, 2022, and involved (1) the identification of dual-sided transactions, (2) the identification of listing and selling agents on these transactions, and (3) the comparison of these agents' commission splits received for their role on the transaction to the recorded commission plan's inside and outside brokerage commission splits. As shown in **Exhibit 1**, for those commission splits matching the outside brokerage's commission split, the agents were determined as not receiving an in-house bonus (indicated as 'N'). For those commission splits matching the inside brokerage's commission split, the agents were determined as receiving an in-house bonus (indicated as 'Y'). For certain exclusion categories to this base methodology,

February 15, 2023

Expert Report of Gary Kleinrichert

additional in-house bonus determinations were able to be made as described in **Section V.C.** below. For the remainder, the presence of an in-house bonus was determined to be inconclusive (indicated as 'I').⁶

11. From this base methodology and exception methodology, the determination of the presence or absence of the in-house bonus was identified for 96.5% of agent roles⁷ on produced dual sided transactions, with 3.5% remaining inconclusive.⁸ For the records determined to have received an in-house bonus, the bonus amount was estimated as the difference between applied commission split and commission split for an outside brokerage, resulting in percentage which was multiplied by the base commission.⁹ The mean in-house bonus amount was \$830, and the median in-house bonus amount was \$580.

III. PROFIT POWER DATA COLLECTION, FINANCIAL STATEMENT RECONCILIATION, & REVIEW

12. In this section I summarize the process my team and I completed to collect and analyze Houlihan Lawrence's back-office software, Profit Power, and subsequent financial statement reconciliation performed to ensure completeness and accuracy of the data collected.

A. Profit Power Data Collection

13. The software Profit Power is used by Houlihan Lawrence to run its daily operations and manage its sale transactions and accounting processes. Profit Power is an enterprise resource planning system that is designed to support real estate brokerages. The Profit Power database used by Houlihan Lawrence is hosted by a 3rd Party vendor, LanTrax. Per the vendor's website, "Profit Power is a real estate back-office software that ties all of the critical data a real estate broker needs to run daily operations. We manage listings, sales, closings, commission calculations, check payouts, and more. Profit Power is the central hub for processing closings and paying associates for residential real estate brokers."¹⁰ A full backup of the underlying SQL Server database was made by vendor LanTrax and provided in 2022 to FTI as a .bak file. The database contains Houlihan Lawrence's history of transactions from January 2, 2003.¹¹ The database contains transaction records for all states and counties in which Houlihan Lawrence operates

⁶ Additional manual review beyond the methodology applied could be attempted to work towards determinations for some of these inconclusive records. This manual review could include paper documents including e-mails and office transaction files, remarks made within the database, calculations of multi-level tier plans, and changes in total commission affecting an agent's commission split, and/or interviews of the participants.

⁷ An "agent role" refers to a record for each agent on each side of a transaction.

⁸ See **Exhibit 1**.

⁹ The base commission is the total commission allocated to the side of the transaction an agent is on, less that side's referrals. If multiple agents are on the same side this amount will be divided between them.

¹⁰ <https://lantrax.com/profit-power/>.

¹¹ Excludes a sparse number of transactions before the 2003 start date and non-sensical future dated transactions.

including New York, Connecticut, and New Jersey. In general, the transaction types contained in the database include (1) closed, pending, and aborted transactions, (2) residential and commercial transactions, and (3) one-sided sales, both sided sales, referrals, and other miscellaneous sale types.

B. Financial Statement Reconciliation

14. Upon collection of the Profit Power database, a financial statement reconciliation was performed for key income statement line items related to commissions received from real estate transactions: (1) Gross Commission, (2) Paid to Other Brokers, (3) Paid to Associates, and (4) Company Dollar-Base. For these four income statement line items, monthly income statements for January 2011 through December 2018 were reviewed and reconciled to the *HL_PP_Sales* table and *HL_PP_ReferralProspects* table for transactions occurring within 2011 through 2018.¹² Using these tables and fields within Profit Power resulted in total variances of less than 3.8%, which was primarily driven by the Paid to Other Brokers line item of the income statement representing referrals made to outside companies as part of the transaction terms (and not relevant to commission bonus payments).¹³ To further analyze the primary variance, additional general ledger detail was provided and discussed with Company accounting personnel, Polly Parrott ("Ms. Parrott"), Houlihan Lawrence's Commissions Processor for the Accounting Department, and Tina Dunne ("Ms. Dunne"), Accounting Manager. Based on this review and discussions, it was determined that the variances between the Profit Power transaction data and the monthly income statements received can be explained through final closing accounting adjustments that have been made in the general accounting system (NewViews) after the transaction and financial data has been exported from Profit Power. These adjustments are not transferred back into Profit Power. The financial statements are created from a feed of data from Profit Power which creates journal entries, followed by adjustments made only within the general accounting software.¹⁴

C. Review of Profit Power Data

15. Upon completion of the reconciliation process, I then reviewed the information contained in Profit Power to gain an understanding as to how the Company historically recorded transactions and

¹² Fields used in the reconciliation from the *HL_PP_Sales* table included "ofc_commission_amt",

"GrandTotalReferralsPaid", and "Total_Associate_Payouts";

Fields used in the reconciliation from the *HL_PP_ReferralProspects* table included "Amount_Paid_Out";

Date restriction was done using dates as identified by the "Close_Date" field in the *HL_PP_Sales* table; and transactions were limited to 'closed' transactions based on the "Deal_Status" field.

¹³ The total variance for line items, "gross commission" and "paid to associates" was less than 1.2% and 0.10%, respectively. The 3.8% variance of company dollar was driven by the "paid to other brokers" line item of the income statement representing referrals made to outside companies as part of the transaction terms.

¹⁴ Discussion with Houlihan Lawrence personnel.

Expert Report of Gary Kleinrichert

specifically, how it recorded and maintained commission information. As part of my review of the information contained in Profit Power, I considered information obtained through discussions with Company personnel as well as information provided by an affidavit signed by Ms. Parrott which contained explanations on the processes involved in commission split calculations, including applicability of in-house bonuses on transactions.¹⁵ Ms. Parrott is responsible for maintaining and processing certain business records relating to the real estate commission splits paid to agents and other transaction details.¹⁶ Ms. Parrott uses Profit Power to finalize and process transaction financial details including commission amounts received and paid out to agents, which is then fed into the accounting software.¹⁷

16. When Houlihan Lawrence processes payments to agents on transactions, there are times in which a higher commission split is applied to the agent for dual sided transactions. This rate on dual sided transactions is what Plaintiffs have called an “in-house bonus”.¹⁸ Ms. Parrott detailed the following points related to documentation and applicability of this in-house bonus to transactions over time which informed my review of the Profit Power database as well as my identification and analysis of in-house bonus commission amounts.

- **In-House Bonus Generally:** Houlihan Lawrence does not offer in-house bonus commission splits to all agents. Whether an agent on a transaction is subject to an in-house bonus depends on the individually negotiated compensation plan and specific transaction details. Additionally, each Houlihan Lawrence office has different practices with respect to applying or allowing in-house bonuses on transactions.¹⁹
- **In-House Bonus Recordkeeping:** Houlihan Lawrence does not generate lists of paid in-house bonuses in the ordinary course of business.²⁰ Ms. Parrott stated that her determination of whether an agent on a transaction received an in-house bonus would be a manual process involving a review on a transaction-by-transaction basis of the commission split received by the agent compared to the commission plan the agent was on at the time of the transaction.²¹
- **In-House Bonus is Not Always Applied:** Agents eligible for in-house bonuses are only given the bonus for qualifying transactions, which for example may exclude transactions where the total commission is less than 5%.²²

- **Agent Commission Plans:** Agent portion rates or commission splits vary over time. Ms. Parrott would receive a listing from each office detailing the appropriate commission splits for agents on outside brokerage transactions and on in-house transactions. This listing could be sent at any point in time with updates to agent's plans. The forms of these commission split documents varied by office and over time.²³
 - Even once reviewing these historical records, some transactions may be unable to be classified due to lack of documentation sufficient to determine the split received for a specific transaction and whether that split indicated an in-house bonus.²⁴
 - Additionally, just because an agent was on a plan which was eligible for an in-house bonus, that does not indicate an in-house bonus was received on every transaction as only certain qualifying dual sided transactions were eligible.²⁵
- **Transaction Detail Sheets:** Each transaction has a summary sheet called a "Transaction Detail Sheet" or "TDS" which contains transaction fields including MLS number, property address, sale id, sale type, commission type, sale price, total commission rate, list side rate, sell side rate, gross commission, close date, agent name, office ID, agent ID, agent side, side split, gross commission income (GCI) to each side, referral fees, agent adjusted base, associate split percentage, and net commission to associate.²⁶ In order to determine if an agent received an in-house bonus, the details of the agent split on the TDS (for example the 70% split shown for agent Biagio Bello below) would be compared to the agent's commission plan at the time of the transaction to determine if an in-house bonus was received.²⁷

17. Data fields and amounts shown on the Transaction Detail Sheets were mapped to the underlying tables and fields within Profit Power to identify relevant data for production and analysis.²⁸ The production of Transaction Detail Sheet data was made on October 6, 2022, according to the parameters described in the production letter.²⁹ Further, in conducting an analysis of the collected Profit Power database, an extensive review into tables and fields was performed related to commissions, in-house bonuses, and overall payments made to the agents. The results indicated the following which aligned with Ms. Parrott's affidavit and discussions with Ms. Parrott:

- There is no unique field in the complete database that indicates which transactions received an in-house bonus.
- There is no unique field in the complete database that contains the amount of an in-house bonus paid on a transaction.
- There is no record of accumulated in-house bonuses earned by specific agents for any time period.
- An agent's split of commission varies over time.

IV. STRUCTURED DATA PRODUCTION

18. Once the Profit Power database was collected, reconciled to financial statements, and reviewed, relevant tables and fields were identified to be included in the structured data production. All 431 tables, 8,005 data fields, 349 views and 684 stored procedures contained within the Profit Power database were reviewed to identify the tables and fields relevant to the allegations in this matter. These decisions were based on a combination of factors including: (1) commission fields identified during the reconciliation process, (2) data fields contained or mapped to the Transaction Detail Sheet ("TDS"), and (3) relevant data fields for determination of an in-house bonus for an agent on a transaction-by-transaction basis based on information obtained through Ms. Parrott's affidavit and discussions with Ms. Parrott.

19. The data records produced from the Profit Power database were limited by the following five criteria: (1) time period, (2) geography, (3) source of sale, (4) deal status, and (5) property type. This structured data was produced to Plaintiffs on December 22, 2022.³⁰

- **Time Period:** The data was restricted to the time period of January 1, 2011 through July 14, 2018 (inclusive) using the "Close_Date" field of the *HL_PP_Sales* table.

- **Geography:** The data was restricted to subject properties within Dutchess County, Putnam County or Westchester County as identified using USPS data and the “Postal_Zip_Code” or “LISTING_CITY_NAME” fields of the *HL_PP_Property_Listing* table.³¹
- **Source of Sale:** The data was restricted to records with the value of “Sale” in the “Source_of_Sale” field in the *HL_PP_Sales* table.
- **Deal Status:** The data was restricted to deal statuses of ‘Closed’ as identified in the “Deal_Status” field of the *HL_PP_Sales* table.
- **Property Type:** The data was restricted to residential property types by excluding non-residential sale types as identified by the “Sale_No” field of the *HL_PP_Sales* table containing values starting with ‘M001-047’, ‘S001-047’, or ‘X001-047’ or transactions whose associate on the transaction had a value of ‘H/L Commercial’ or ‘H/L Corporate’ in the “Office_Name” field of the *HL_PP_Associates* table.³²

20. The structured data production included 10 tables containing a total of 190 fields. A description of each produced table and the number of fields produced is shown below.

Produced Profit Power Tables

<i>HL_PP_Associates</i>	11	Agent details, agent office, and agent join date

<i>HL_PP_Brokers</i>	7	Other brokerage firm names and addresses
<i>HL_PP_Clients</i>	13	Buyer and seller name and contact information
<i>HL_PP_Commission_Calcs</i>	17	Agent transaction level details including agent id, agent name, calculated agent commission fields, and commission plan applied

³¹ The *HL_PP_Property_Listing* “Postal_Zip_Code” value was mapped to its county using data obtained from the USPS enabling zip code to be linked to county. For records with an invalid or NULL zip code, the *HL_PP_Property_Listing* “LISTING_CITY_NAME” value was mapped to county using the same USPS data.

³² Two non-residential data records containing the list side transaction details for sale side records within this population were also identified and included in the production.

Comm_Detail_ID	Unique ID field for each record in the table
Attached_to_Sale_Number	Unique transaction number for the sale of a subject property; links to <i>HL_PP_Sales</i>
Base_Commission	Total commission allocated to the side of the transaction an agent is on, less that side's referrals. If multiple agents are on the same side this amount will be divided between them ³³
Associate_ID	Unique numerical identifier for an agent
Associate_Name	Name of agent
Automatic_Calculation	Field containing either a "0" or a "1" indicating if the commission calculation was automatically applied by the system ("1") or manually applied ("0")
Role_Played	Side represented by the agent on a transaction ('Listing' or 'Selling') ³⁴ or the role of the agent on the transaction ('Allocation'). 'Allocation' Agents represent agents who were allocated a portion of the commission by a primary agent on the transaction ³⁵
Portion_Rate	The portion of commission, or commission split, expressed as a decimal, that was estimated to be paid out to the agent. This is a percent of the "Base_Commission"
Portioned_Commission	The portion of commission, expressed as an amount, that was estimated to be paid out to the agent. This is calculated by "Base_Commission" x "Portion_Rate"
CommissionPlanApplied	Field containing a numeric code indicating which commission plan was recorded to the agent on the side of the transaction.

³³ For example, a \$300,000 house with a 3% commission to the list side results in a total list side commission of \$9,000.

If two agents are on the list side, this \$9,000 may be split evenly, or at different amounts, between them so that each agent starts at a \$4,500 base commission before the agent's commission split is applied.

³⁴ An agent may represent both sides of a transaction and thus would have two unique records in the *HL_PP_Commission_Calcs* table for each side the agent is receiving a commission. For example, see "Sale_No" 'S001-004-1601-2264' where "Associate_ID" '55166' represented both the seller and buyer and has two records for this sale in the *HL_PP_Commission_Calcs* table.

³⁵ For example, see "Sale_No" 'S001-008-1201-1873' where "Associate_ID" '56415' received \$2,300 "Portioned_Commission" as an Allocation ("Role_Played") agent.

22. The "[#]" in the last four fields shown in the above table for *HL_PP_Commission_Plans* represent the numbers '1' through '8'. Profit Power's table structure for *HL_PP_Commission_Plans* contains an individual field for each of these, allowing the business to apply up to eight different inside and/or outside brokerage commission splits for different commission plan levels. Plans with only one defined level are referred to in this report as "**single level plans**". Single level plans only utilize the values contained in "DBLENDLVL_1_List", "DBLENDLVL_1_Sale", "L_SLVL_1_List", or "L_SLVL_1_Sale" fields to determine commission split. For a small number of plans, plans include more than one defined level (as determined by plans with a non-zero value in "DBLENDLVL_2_List", "DBLENDLVL_2_Sale", "L_SLVL_2_List", or "L_SLVL_2_Sale"). These plans are referred to in this report as "**multi-level plans**". In a multi-level plan, the threshold to move to the next level is defined by an agent's earnings. When the agent's earnings reach the next threshold the agent's commission split is increased to the next plan level.³⁶

23. Certain structured MLS data was also produced to Plaintiffs on December 22, 2022.³⁷ MLS data was collected and produced for three MLS entities: (1) Columbia Greene Northern Dutchess MLS ("CGND MLS"), Mid-Hudson MLS ("MH MLS"), and OneKey MLS. These records were obtained through front-end user interfaces made available to Houlihan Lawrence personnel. The produced MLS data was limited to transactions with a sold date of January 1, 2011 through July 14, 2018 for all closed, residential transactions containing either Houlihan Lawrence, Coldwell Banker, or Sotheby's as a listing or selling

³⁶ Discussion with Houlihan Lawrence personnel. For example, see the Scarsdale office Commission Plan document dated June 2014 which identifies the volume tiers for "Agents on Tiered Splits Based on Production" as a 55/60 outside/inside for cumulative \$110,000 agent earnings, a 60/65 outside/inside split for cumulative \$130,000 agent earnings, etc. (HL00072082).

To the extent the records collected were duplicated across multiple files within the same MLS, the duplicative record(s) were removed. The below table summarizes the specific fields used to limit the MLS data within each MLS:³⁹

24. Although structured MLS data was produced to Plaintiffs at the same time as the Profit Power data on December 22, 2022, the MLS data was not considered or used to identify and quantify in-house bonus amounts. The approach taken to identify the transactions for which agents received an in-house bonus was to utilize the records produced from Profit Power on December 22, 2022 as the basis of analysis.

V. METHODOLOGY OF IN-HOUSE BONUS IDENTIFICATION FOR PRODUCED TRANSACTIONS

25. The following section describes (A) definitions used when discussing various fields and calculations related to in-house bonuses, (B) a summary of the base in-house bonus methodology, (C) a summary of the exceptions to base in-house bonus methodology, and (D) a summary of the in-house bonus results.

A. Definitions

26. The methodology utilized to identify an in-house bonus was designed to, where reasonably conclusive, (1) determine whether or not an agent received an in-house bonus and (2) estimate the amount

of the in-house bonus for each agent role on a transaction-by-transaction basis. The methodology was based on the review of the Profit Power database, observations made during the reconciliation to financial statements, review of transaction specific documents, and meetings with Company personnel to provide examples of how transactions were recorded and how total commissions and agent's commissions splits were calculated in Power Profit. For the purposes of discussion below, the below definitions are used unless otherwise noted:

- A **"transaction"** is defined as the sale of a subject property.
- A **"record"** is defined as transaction details pertaining to an agent on a specific side of a transaction.
- A **"dual-sided"** transaction is a transaction where Houlihan Lawrence was on both sides (represented buyer and seller) of the transaction. Dual-sided transactions are recorded as 'Our List and Sale' in the "Type_of_Sale" field in the *HL_PP_Sales* table. To account for the potential of a dual-sided transaction being recorded as separate, one-sided transactions within Profit Power, transactions with an 'Our List O/B Sale' or 'O/B List Our Sale' value were also analyzed and considered dual-sided if linked to another transaction.⁴⁰
- A **"single-sided"** transaction is a transaction where Houlihan Lawrence was only on the list (seller's) side of the transaction or only on the sale (buyer's) side of the transaction.
- A **"base commission"** is total commission allocated to the side of the transaction an agent is on, less that side's referrals, that is used to calculate an agent's commission split. If multiple agents are on the same side this amount will be divided between them.
- A **"commission split"** is the portion of commission that was estimated to be paid out to the agent, corresponding to the "Portion_Rate" field in the *HL_PP_Commission_Calcs* table.
- A **"commission plan"** is the set of commission split values applicable to a particular "PlanID" value as set forth in the *HL_PP_Commission_Plans* table.
- An **"inside brokerage commission split"** refers to the commission split indicated for dual-sided transactions for a particular commission plan.
- An **"outside brokerage commission split"** refers to the commission split indicated for single-sided transactions for a particular commission plan.

⁴⁰ If a dual-sided sale was recorded as separate transactions in Profit Power, there was not a unique identifier to link each side to the same subject property sales transaction. As such, transactions were linked using the following criteria and attributes, found in the *HL_PP_Sales* table:

- Standardized versions of "Property_Address" matched between two transactions,
- "Sale_Price" values matched between two transactions, and
- "Close_Date" values were within +/-30 days between two transactions.

Expert Report of Gary Kleinrichert

B. Summary of Base In-House Bonus Methodology

27. The in-house bonus methodology employed a series of logical steps to determine which transactions included an in-house bonus for an agent and subsequently estimate the amount of that bonus. As the first step, transactions that were single-sided were excluded from the population of 35,264 transactions produced from the *HL_PP_Sales* table, leaving 9,478 transactions for analysis.⁴¹ For each transaction recorded in the *HL_PP_Sales* table, there are separate records contained in the *HL_PP_Commission_Calcs* table that provide information on the commissions calculated for each agent associated with each side of the transaction. Accordingly, the 9,478 transactions had 23,930 corresponding agent commission detail records. Multiple agents could be on each side of a transaction, meaning a dual-sided transaction could include two, three, four, or more Houlihan Lawrence agents. Additionally, the same agent could represent both sides which would result in two records for that agent for that transaction. The 23,930 records contained details for the commission splits calculated as well as the recorded commission plan. For each commission plan, the inside and outside brokerage commission splits were identified in the *HL_PP_Commission_Plans* table.

28. For 15,604 (65%) of the 23,930 records, the commission split appears to be automatically calculated by the Profit Power system, driven by the commission split values contained in the *HL_PP_Commission_Plans* table, see **Section VI.A. and VI.B** for examples. For the remaining 8,326 (35%) records not automatically calculated by the system, the commission split to the agent appears to be a rate which was overwritten or customized. In some instances, the overwritten commission split matches the inside or outside brokerage commission split rate associated with the commission plan, see **Section VI.C and VI.D.** for examples.

29. To determine if an in-house bonus existed for each record, the commission split was compared to the commission plan's inside and outside brokerage commission splits. For each comparison, the following evaluation was performed⁴²:

- If the commission split was less than or equal to the commission plan's outside brokerage commission split, the agent was determined to have not received an in-house bonus.
- If the commission split equaled the commission plan's inside brokerage commission split, the agent was determined to have received an in-house bonus.
- If the commission split exceeded the plan's outside brokerage commission split but did not align to the commission plan's inside brokerage commission split, the existence of an in-house bonus

⁴¹ 35,264 produced transactions less 25,786 single-sided transactions equals 9,478 dual sided transactions.

⁴² For all comparisons, the commission splits were rounded to 4 decimal points.

was determined to be inconclusive utilizing the base methodology applied to the database.⁴³ In these instances, certain records' in-house bonus determinations were made based on exceptions described in the following section.

30. For those identified through the above base methodology to have received an in-house bonus, the amount of in-house bonus was determined by the difference between the recorded commission split and the administered plan's outside brokerage commission split, times the base commission.⁴⁴

C. Exceptions to Base In-House Bonus Methodology

31. There are exceptions to the above methodology as follows which were applied in the following order:

- **Unreliable Portioned Commission:** If a record's "Portioned_Commission" did not equal "Portion_Rate" times "Base_Commission" within the *HL_PP_Commission_Calcs* table, the presence of an in-house bonus was deemed inconclusive based on the methodology applied.⁴⁵
- **\$0 Commission:** If an agent received no commission on a transaction, the agent was determined to have not received an in-house bonus.
- **Remarks Notate Presence or Absence of In-House Bonus:** A review of the "Remarks" field within the *HL_PP_Sales* table was performed to determine if the remarks left by Company personnel confirmed the presence or absence of an in-house bonus on the transaction. Discussions with Houlihan Lawrence indicated the remarks field was sometimes used to note explanations of commission splits and inclusion or exclusion of bonuses. In some of these instances, the amount of an in-house bonus could not be determined.
- **Overwritten Multi-Level Plans:** If a record's commission plan was a multi-level plan with (1) a value of '0' in the "Automatic_Calculation" field in the *HL_PP_Commission_Calcs* table or (2) a value of '1' in the "Automatic_Calculation" field in the *HL_PP_Commission_Calcs* table and a "Portion_Rate" value higher than the recorded plan's level one inside and outside brokerage commission splits, the presence of an in-house bonus was assessed against inside and outside brokerage commission splits at all levels. In these instances, the following applied:
 - If the "Portion_Rate", when compared to all levels, matched only an inside brokerage commission split, then the agent was determined to have received an in-house bonus.
 - If the "Portion_Rate", when compared to all levels, (A) matched only an outside brokerage commission split, (B) matched a plan with equal inside and outside splits, or (C) was less than

⁴³ A manual review to determine the presence of an in-house bonus for the 830 transactions was not completed at this time as these transactions were determined to be inconclusive based on the methodology applied and exceptions considered.

⁴⁴ See **Exhibit 1** for transactions determined to include an in-house bonus and estimated in-house bonus amounts.

⁴⁵ Identified as "Unreliable Portioned_Commission" if the following calculation resulted in an absolute difference greater than or equal to 1: "Portioned_Commission" – ("Portion_Rate" X "Base_Commission").

Expert Report of Gary Kleinrichert

the lowest outside split, then the agent was determined to have not received an in-house bonus.

- If the “Portion_Rate” matched both an inside brokerage commission split and outside brokerage commission split at different levels or did not align to the two criteria above, then the presence of an in-house bonus was determined to be inconclusive based on the methodology applied.
- **100% Commission Split:** If an agent received 100% commission on a transaction, the agent was determined to have not received an in-house bonus. Discussions with Houlihan Lawrence indicated that these commission splits are not utilized for in-house bonuses.
- **74% Commission Plan:** If an agent received 74% commission on a transaction, the agent was determined to have not received an in-house bonus. Discussions with Houlihan Lawrence indicated that this commission split is only applied to two agents and not utilized for in-house bonuses.
- **Commission Split 5% Higher than Outside Split:** If the commission split was 5% higher than the plan’s outside brokerage commission split, the agent was determined to have received an in-house bonus. In these instances, the commission plan had equal inside and outside brokerage splits and received an overwritten commission split, appearing to be instances of an in-house bonus. Discussions with Houlihan Lawrence indicated this to occur in the normal course of business.
- **Commission Split 2.5% Higher than Outside Split:** If the commission split was 2.5% higher than the plan’s outside brokerage commission split, the agent was determined to have received an in-house bonus. This 2.5% bonus indicates an agent received half of an in-house bonus.⁴⁶ Discussions with Houlihan Lawrence indicated that this half bonus was sometimes approved by managers for agents.
- **Administered Commission Plan:** In some instances, the commission split shown in the *HL_PP_Commission_Calcs* table appears to be associated with a different commission plan (“**administered commission plan**”) administered by the manager. To identify these instances, the record was required to have (A) an inconclusive in-house bonus determination based on the above methodology and exceptions, (B) an overwritten commission split, and (C) a commission split matching the inside or outside brokerage commission split of another plan in *HL_PP_Commission_Plans*.
 - Those records were then reviewed within the context of the agent’s commission plan and split history in the *HL_PP_Commission_Calcs* and *HL_PP_Sales* tables to identify a potential commission plan being administered by the manager, meeting the following criteria:

⁴⁶ For the ‘Standard 50% Plan-10% Sell Side Bonus’ plan, the half in-house bonus on the selling side is 5% and is included in this exception.

February 15, 2023

Expert Report of Gary Kleinrichert

- The administered commission plan had to exist as an automatically calculated commission plan in the agent's *HL_PP_Commission_Calcs* history, and
 - The "Portion_Rate" for that record had to match either the inside or outside brokerage commission split for the plan being administered.
- In these instances, the recorded commission split ("Portion_Rate") was compared to the brokerage commission splits of the administered commission plan. See examples described below in **Section VI.E** and **Section VI.F**.

32. For those cases identified through the exception criteria to have received an in-house bonus, the amount of in-house bonus was determined by the difference between the commission split ("Portion_Rate") and the commission plan or administered commission plan's outside brokerage commission split, times the base commission.⁴⁷

D. Summary of In-House Bonus Methodology Results

33. The results of my analysis can be found in **Exhibit 1 - Excel Spreadsheet Containing In-House Bonus Determination and Amount**. The in-house bonus methodology is limited to identifying the presence and amount of an in-house bonus as determined from historical records maintained in the Company's Profit Power database. It does not include an investigation into the underlying documentation for any particular transaction, *e.g.*, check copy or wire transfer payment information. Other non-transaction related adjustments could have been made which would affect the amount received by the agent from Houlihan Lawrence. In total, 23,100 (96.5%) records used the base and exception methodology to make in-house bonus decisions, with 830 (3.5%) records remaining inconclusive⁴⁸ based on the methodology applied.⁴⁹

VI. EXAMPLES OF DETERMINATION OF IN-HOUSE BONUS

34. The below examples demonstrate the base methodologies and select exception methodologies applied and the tables used to develop the logic and make decisions. Each example sale transaction includes an explanation of the relevant agent being explained based on the logic being applied.

⁴⁷ For those records with a multi-level plan, the level corresponding to a 5% in-house bonus rate was used.

⁴⁸ A manual review to determine the presence of an in-house bonus for the 830 records was not completed at this time as these records were determined to be inconclusive based on the methodology applied and exceptions considered. Additional manual review beyond the methodology applied could be attempted to make determinations for some of these inconclusive records. This manual review could include paper documents including e-mails and office transaction files, remarks made within the database, calculations of multi-level tier plans, changes in total commission affecting an agent's commission split, and/or interviews with the participants.

⁴⁹ See **Exhibit 1**.

- The *HL_PP_Commission_Plans* table indicates that for a "PlanID" of 1009, the inside brokerage commission split ("DBLENDLVL_1_LIST") is equal to 0.60 (60%), while the outside brokerage commission split ("L_SLVL_1_LIST") is equal to 0.60 (60%). As the commission split ("Portion_Rate") of 0.60 (60%) equals the outside brokerage commission split of 0.60 (60%), the commission plan for the agent on "Comm_Detail_ID" '107182' is updated, for in-house bonus determination purposes, to the administered commission plan of '1009'. As the commission split ("Portion_Rate") of 0.60 (60%) equals the outside brokerage commission split of 0.60 (60%), this agent is determined to not have received an in-house bonus.

Index No. 60767/2018

Hon. Linda S. Jamieson

**DECLARATION OF GINA
INTREPIDO-BOWDEN
REGARDING NOTICE PLAN
PROGRESS**

I, **GINA INTREPIDO-BOWDEN**, declare as follows:

1. I am a Vice President at JND Legal Administration LLC (“JND”). I am a judicially recognized legal notice expert with more than 20 years of experience designing and implementing class action legal notice programs. I have been involved in many of the largest and most complex class action notice programs, including all aspects of notice dissemination.

2. JND is serving as the Settlement Administrator in the above-captioned matter, pursuant to the Court’s Order Granting Preliminary Approval of Settlement with Houlihan Lawrence (“Order”), dated March 14, 2025. ([Dkt. 2307](#)).

3. This Declaration describes the implementation of the Notice Plan, as outlined in my Affidavit Regarding Proposed Notice Plan (“Notice Plan Affidavit”), dated February 19, 2025. ([Dkt. 2289](#)).

NOTICE PLAN SUMMARY

4. As outlined in my Notice Plan Affidavit and approved by the Court’s Order, the Notice Plan consisted of the following elements:

- a. Direct Notice to all potential Settlement Class Members for whom Houlihan Lawrence provided contact information.
 - b. An established case-specific Settlement Website where information about the Settlement, as well as copies of relevant case documentation, including but not limited to the Settlement Agreement, the Long Form Notice (attached as **Exhibit 1**), Plaintiffs' Motion for Preliminary Approval of the Settlement Agreement (Dkt. 2285), and Class Counsel's Motion for Attorneys' Fees and Costs (Dkt. 2292) is accessible to Settlement Class Members.
 - c. An established toll-free telephone number with an Interactive Voice Recording system ("IVR") that Settlement Class Members may call to obtain more information about the Settlement and request a copy of the Long Form Notice.
 - d. The establishment of an email address and post office box through which Settlement Class Members may submit inquiries and exclusion requests.
 - e. A Postcard Notice with a QR code (a matrix barcode) that allowed for quick and direct access to the Settlement Website through a mobile device.
5. Based on my experience in developing and implementing class notice programs, I believe the Notice Plan met, and exceeded, the standards for providing

the best practicable notice in class action settlements. Each component of the Notice Plan is described in more detail in the sections below.

DIRECT NOTICE

6. To prepare direct notice to potential Settlement Class Members, JND leveraged the contact information from the original Notice of Pendency, which consisted of buyers and sellers. The original list comprised of the buyers and sellers involved in the 7,757 dual-agent transactions identified by Class Counsel in the final pre-trial Class Member List ([Dkt. 2144](#)), including those who signed arbitration agreements with Houlihan Lawrence. A list of the potential Settlement Class Members and their associated transaction numbers is attached as **Exhibit 2**.

7. JND promptly loaded the potential Settlement Class Members' contact information into a case-specific database for the Settlement. A unique identification number was assigned to each potential Settlement Class Member to identify them throughout the administration process.

8. JND then reviewed the data to identify any undeliverable email addresses and duplicate records and ultimately disseminated Notice to 15,554 potential Settlement Class Members.

Email Notice

9. Prior to sending the Email Notice, attached as **Exhibit 3**, JND evaluated the email for potential spam language to improve deliverability. This

process included running the email through spam testing software, DKIM,¹ for sender identification and authorization, and hostname evaluation. Additionally, we checked the send domain against the 25 most common IPv4 blacklists.²

10. JND used industry-leading email solutions to achieve the most efficient email notification campaign. Our Data Team is staffed with email experts and software solution teams to conform each notice program to the particulars of the case. JND provided individualized support during the program and managed our sender reputation with the Internet Service Providers (“ISPs”). For this program, we analyzed the data and monitored the ongoing effectiveness of the notification campaign, adjusting the campaign as needed. These actions ensured the highest possible deliverability of the email campaign so that more potential Settlement Class Members received notice.

11. JND utilized a verification program to eliminate invalid email and spam traps that would otherwise negatively impact deliverability. We then cleaned the list of email addresses for formatting and incomplete addresses to further identify all invalid email addresses.

12. To ensure readability of the email, our team reviewed and formatted the body content into a structure that is applicable to all email platforms, allowing

¹ DomainKeys Identified Mail, or DKIM, is a technical standard that helps protect email senders and recipients from spam, spoofing, and phishing.

² IPv4 address blacklisting is a common practice. To ensure that the addresses being used are not blacklisted, a verification is performed against well-known IP blacklist databases. A blacklisted address affects the reputation of a company and could cause an acquired IP address to be blocked.

the email to pass easily to the recipient. Before launching the email campaign, we sent a test email to multiple ISPs and opened and tested the email on multiple devices (iPhones, Android phones, desktop computers, tablets, etc.) to ensure the email opened as expected.

13. Additionally, JND included an “unsubscribe” link at the bottom of the Email Notice to allow potential Settlement Class Members to opt out of any additional Email Notice from JND. This step is essential to maintain JND’s good reputation among the ISPs and reduce complaints relating to the email campaign.

14. The Email Notice contained links to the Settlement Website and directed potential Settlement Class Members to visit the website to learn more information.

15. Emails that are returned to JND are generally characterized as either “Hard Bounces” or “Soft Bounces.” A Hard Bounce occurs when the ISP rejects the email due to a permanent reason such as the email account is no longer active. A Soft Bounce occurs when the email is rejected for temporary reasons, such as the recipient’s email address inbox is full.

16. When an email was returned due to a Soft Bounce, JND attempted to re-send the email at least three additional times in an attempt to secure deliverability. If the Soft Bounce email continued to be returned after additional attempts were made, the email was considered undeliverable. Emails that resulted in a Hard Bounce were also considered undeliverable.

17. The Email Notice campaign commenced on April 11, 2025.

18. As of the date of this Declaration, JND has sent a total of 9,340 Email Notices, of which 3,222 or 34.50% were deemed undeliverable.

Postcard Notice

19. JND sent a Postcard Notice, attached as **Exhibit 4**, to known potential Settlement Class Members for whom an email address was not available or for whom the Email Notice was deemed ultimately undeliverable.

20. Prior to sending the Postcard Notice, JND performed address research using the United States Postal Service (“USPS”) National Change of Address (“NCOA”) database to obtain the most current mailing address information for potential Settlement Class Members. JND staff tracked all Postcard Notices returned undeliverable by the USPS and promptly re-mailed Postcard Notices that were returned with a forwarding address. Also, JND staff took reasonable efforts to research and determine if it was possible to reach a potential Settlement Class Member for whom the Postcard Notice was returned without a forwarding address by mailing to a more recent mailing address at which the potential Settlement Class Member may be reached.

21. As of the date of this Declaration, JND has sent 9,436 Postcard Notices to potential Settlement Class Members, of which 1,209 or 12.81% were returned as undeliverable. JND promptly remailed 10 Postcard Notices to forwarding addresses provided by USPS and 205 Postcard Notices to updated addresses obtained through advanced address research.

22. The direct notice program here was extremely successful and reached more than 93.53% of the potential Settlement Class Members.

SETTLEMENT WEBSITE

23. On April 8, 2025, JND established an informational, interactive Settlement Website, www.HoulihanLawrenceLitigation.com, so that potential Settlement Class Members can obtain more information about their rights and options under the Settlement. The website contains, among other things, information about the Settlement, a Frequently Asked Questions section, a list of Important Dates and a list of Important Documents, the ability to download a Long Form Notice, and contact information including the case toll-free telephone number, post office box and email address. The Settlement Website is mobile-enabled and ADA compliant.

24. As of the date of this Declaration, the Settlement Website has tracked a total of 601 unique users who registered 1,741 page views.

DEDICATED TOLL-FREE NUMBER

25. On April 8, 2025, JND established a dedicated toll-free telephone number, 1-877-654-1976, with an automated IVR, available 24 hours a day, seven days a week, which provides Settlement-related information to potential Settlement Class Members, and the ability to request and receive the Long Form Notice by mail.

26. As of the date of this Declaration, JND has received 88 calls to the case toll-free number.

DEDICATED POST OFFICE BOX

27. JND established a United States Post Office Box for potential Settlement Class Members to submit letters and inquiries and to receive exclusion requests.

QR CODE

28. JND created a QR Code (a matrix barcode) which allows quick and direct access to the Settlement Website through mobile devices. The QR Code is included in the Postcard Notices.

OBJECTIONS AND OPT-OUTS

29. The notice documents informed potential Settlement Class Members who wanted to object to the proposed Settlement to file a written objection with the Court no later than June 10, 2025. The notice documents also informed potential Settlement Class Members that they could exclude themselves (“opt-out”) from the Settlement by the same date.

30. As of the date of this Declaration, JND has received or is otherwise aware of four objections, all of which were timely and valid. Attached as **Exhibit 5** are representative copies of the objections.

31. As of the date of this Declaration, JND has received or is otherwise aware of one request for exclusion, which was timely and valid. Attached as **Exhibit 6** is a representative copy of the exclusion request.

32. In JND’s opinion, this is a small number of objections and opt outs relative to the potential Settlement Class size.

CONCLUSION

33. In my opinion, the Notice Plan as described herein provided the best notice practicable and is consistent with, if not more robust than, other similar court-approved best notice practicable notice programs, CPLR § 908, and the Federal Judicial Center’s guidelines for Best Practicable Due Process notice. The Notice Plan was designed to reach as many potential Settlement Class Members as practicable and provide them with an opportunity to review a plain language notice with the ability to easily take the next step and learn more about the Settlement.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on June 13, 2025, in Stone Harbor, New Jersey.

EXHIBIT 1

HOULIHAN LAWRENCE LITIGATION SETTLEMENT

NOTICE OF PROPOSED SETTLEMENT

If you bought or sold residential real estate with the assistance of Houlihan Lawrence between January 1, 2011 and July 14, 2018, then you *may* be part of a class action settlement.

Please read this Notice carefully because it may affect your legal rights.

A state court has ordered this Notice. It is not from a lawyer, and you are not being sued.

- This Settlement resolves claims against Houlihan Lawrence, Inc. (“Houlihan Lawrence”) in a lawsuit for allegedly acting as a real estate agent on behalf of buyers and sellers in the same residential real estate transaction, without disclosing all facts material to the dual agency and obtaining both parties’ informed written consent, including offering in-house bonuses to its sales agents for brokering deals within Houlihan Lawrence.
- Houlihan Lawrence has agreed to pay \$9,000,000 into the Settlement Fund and to eliminate and prohibit all “in-house bonus” payment programs.
- This Settlement releases all Released Claims that any Settlement Class Members have against Houlihan Lawrence.

Your Legal rights are affected whether or not you act. ***Please read this Notice carefully.***

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
ASK TO BE EXCLUDED BY June 10, 2025	If you do not want to be included in this Settlement with Houlihan Lawrence, you must exclude yourself. This is called “opting out.” This is the only option that allows you to sue Houlihan Lawrence for these same issues again.
OBJECT BY June 10, 2025	You may write to the Court about why you don’t like the proposed Settlement. You cannot object if you opt-out.
GO TO A HEARING ON June 18, 2025	You may ask to speak in Court about the fairness of the proposed Settlement with Houlihan Lawrence.
DO NOTHING	If you do nothing and the Court approves the proposed Settlement, you will not be able to sue Houlihan Lawrence for these same issues again.

- These rights and options – **and the deadlines to exercise them** – are explained in this Notice.
- The Court in charge of this case still has to decide whether to approve the proposed Settlement.

BASIC INFORMATION

1. Why did I get this Notice?

This Notice has been posted for the benefit of members of the Settlement Class. If you are uncertain about whether you are a member of the Settlement Class, you may contact the Settlement Administrator at 1-877-654-1976.

This Notice has been posted because members of the Settlement Class have a right to know about the proposed Settlement of the class action lawsuit in which they are Class Members, and about all of their options before the Court decides whether to approve the Settlement. As set forth below, you have the right to submit to the Court, in writing, any objection you may have to the Settlement. Following the close of the objection period, the Court will hold a public hearing to consider whether the Settlement is fair, reasonable, and adequate. If the Court determines that it is, you and all other Class Members will be bound by the terms of the Settlement.

This Notice explains the lawsuit, the Settlement, and your legal rights. A full copy of the Settlement Agreement may be viewed at the Settlement Website: www.HoulihanLawrenceLitigation.com. This Notice contains only a summary of the Settlement.

The Court in charge of the Settlement is Justice Linda S. Jamieson of the Supreme Court of the State of New York, Westchester County. The case before this Court is known as *Goldstein et al. v. Houlihan/Lawrence Inc.*, Index No. 60767/2018 (“Goldstein”). The people who filed this lawsuit are called the Plaintiffs. The company being sued is called the Defendant. Houlihan Lawrence is the Defendant in the *Goldstein* action.

2. What is the lawsuit about?

The lawsuit alleges that Houlihan Lawrence breached fiduciary duties and engaged in deceptive and misleading business practices by acting as the agent for the buyers and sellers in the same residential real estate transaction without disclosing all material facts to the dual agency and obtaining both parties’ informed written consent. Plaintiffs allege that Houlihan Lawrence acted as an undisclosed, non-consensual dual agent in these residential real estate transactions as part of a strategy to increase its in-house sales that included offering undisclosed “in-house bonuses” to its real estate agents to incentivize dual agency sales, and that Houlihan Lawrence forfeited the commissions it collected on those transactions as a result. These claims apply to home sales that occurred in Westchester, Putnam, and Dutchess counties between January 1, 2011 and July 14, 2018.

3. Has the Court decided who is right?

Although the Court has authorized notice to be given of the proposed Settlement, this Notice does not express the opinion of the Court on the merits of the claims or defenses asserted by either side of the lawsuit.

Houlihan Lawrence disputes Plaintiffs’ allegations and denies all liability to Plaintiffs and the Class. You can read the Answer filed by Houlihan Lawrence in the lawsuit here: www.HoulihanLawrenceLitigation.com.

The parties entered into this proposed Settlement on October 3, 2024, after a jury was selected but before the case proceeded to trial.

4. Why is this case a class action?

In a class action, one or more people called class representatives sue on behalf of other people who have similar claims. The people together are a “Class” or “Class Members.” The consumers who sued the Defendant — and all the Class Members like them — are called Plaintiffs. The company they sued is called the Defendant. One court resolves the issues for everyone in the Class – except for those who choose to exclude themselves from the Class.

Here, the Court decided that a Class can be certified for settlement purposes because it preliminarily meets the requirements of Civil Practice Law and Rules § 908, which governs class actions in New York state court. Specifically, the Court found that: (1) there are numerous people who fit the class definition; (2) there are legal questions and facts that are common to each of them; (3) the Plaintiffs' claims are typical of the claims of the rest of the Class; (4) Plaintiffs, and the lawyers representing the Class, will fairly and adequately represent the Class Members' interests; (5) the common legal questions and facts are more important than questions that affect only individuals; and (6) class treatment will be more efficient than having individual lawsuits.

5. Why is there a Settlement?

Counsel for the Settlement Class investigated the facts and applicable law regarding Plaintiffs' claims and Defendant's defenses, the potential issues on appeal, and Houlihan Lawrence's ability to pay. The parties engaged in lengthy arms-length negotiations under the Court's supervision to reach the Settlement. Plaintiffs and Counsel for the Settlement Class believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interest of the Class.

Both sides agree that by settling, Houlihan Lawrence is not admitting any liability or that it did anything wrong. Both sides want to avoid the uncertainties and expense of further litigation.

WHO IS IN THE SETTLEMENT?

6. How do I know if I am a part of the Settlement?

The Settlement Class consists of all home buyers and sellers of residential real estate in Westchester, Putnam, and Dutchess County, New York from January 1, 2011 and July 14, 2018 in which Houlihan Lawrence represented both buyer and seller in the same transaction, including those who entered into an arbitration agreement with Houlihan Lawrence.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

Houlihan Lawrence has agreed to pay \$9,000,000 into a Settlement Fund and to eliminate and prohibit the "in-house bonus" payment program.

Class Counsel has asked the Court for an award of attorneys' fees, costs of the litigation, and Settlement administration expenses of \$9,000,000 to be paid out of the Settlement Fund. If approved, the Settlement will not provide for any monetary relief to be paid to any Plaintiffs or members of the Settlement Class. The actual amounts awarded will be determined by the Court to ensure that the amounts of attorneys' fees and costs awarded are reasonable.

8. What am I giving up?

Upon the Court's approval of the proposed Settlement, all members of the Settlement Class who do not exclude themselves (as well as their representatives) will release Houlihan Lawrence (and its affiliates, subsidiaries, franchisees, employees, and certain others as specified in the Settlement Agreements).

All members of the Settlement Class who do not exclude themselves will release claims whether known or unknown that they ever had, now have, or hereafter may have and that have accrued as of the date of preliminary approval of the Settlement arising from or related to the Released Claims. "Released Claims" means any and all manner of claims, regardless of the cause of action, arising from or relating to conduct that was alleged or could have been alleged in the Action based on any or all of the same factual predicates for the claims alleged in the Action, including but not limited to any claims relating to dual

agency, disclosures, RPL 443, GBL 349, bonuses, commissions, teams, advertising, or fiduciary duties in connection with the sale or purchase of any residential home.

This release may affect your rights and may carry obligations in the future. To view the terms of the release, review the Settlement Agreement, which is available at www.HoulihanLawrenceLitigation.com.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you want to keep the right to sue or continue to sue Houlihan Lawrence on your own about the legal issues in this case, then you must take steps to get out of this Settlement Class. This is called excluding yourself—or is sometimes referred to as opting out of the Settlement Class.

9. How do I ask to be excluded?

To ask to be excluded, you must execute and send a Request for Exclusion to the Settlement Administrator so that it is postmarked or emailed on or before **June 10, 2025**. A Request for Exclusion must be personally signed by each Settlement Class Member requesting exclusion. Additionally, a Request for Exclusion must include the Settlement Class Member's present name and address, a clear and unequivocal statement that the Settlement Class Member wishes to be excluded from the Settlement Class, and the signature of the putative Settlement Class Member or, in the case of a Settlement Class Member who is deceased or incapacitated only, the signature of the legally authorized representative of the putative Settlement Class Member.

If the request is not postmarked on or before **June 10, 2025**, your exclusion will be invalid, and you will be bound by the terms of the Settlement approved by the Court, including without limitation, the judgment ultimately rendered in the case, and you will be barred from bringing any claims against Houlihan Lawrence outlined in FAQ 8 above which arise out of or relate in any way to the claims in the case as specified in the release referenced in FAQ 8 above.

You must submit your Exclusion Request by email to info@HoulihanLawrenceLitigation.com or by mail to:

Goldstein, et al. v. Houlihan Lawrence
c/o JND Legal Administration – Exclusion Dpt.
PO Box 91306
Seattle, WA 98111

10. If I don't exclude myself, can I sue Houlihan Lawrence for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Houlihan Lawrence and those affiliated with Houlihan Lawrence for the claims that the Settlement resolves. If you have a pending lawsuit against Houlihan Lawrence or certain affiliated entities, speak to your lawyer in that case immediately. You may have to exclude yourself from this Class to continue your own lawsuit. Remember, the exclusion deadline is **June 10, 2025**.

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in this Settlement?

The Court decided that the law firms Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. and Boies Schiller Flexner LLP are qualified to represent you and all other Settlement Class Members. These lawyers are called "Class Counsel." You will not be charged for these lawyers. They are experienced in handling similar cases against other entities. More information about the law firms, their practices, and their lawyers' experience is available at: www.mintz.com and www.bsflp.com.

Class Counsel represents the interests of the Settlement Class. You may hire your own attorney to advise you, but if you hire your own attorney, you will be responsible for paying that attorney's fees.

12. How will the lawyers be paid?

Class Counsel has asked the Court for an award of attorneys' fees, costs of the litigation, and Settlement administration expenses of \$9,000,000 to be paid out of the Settlement Fund. If approved, the Settlement will not provide for any monetary relief to be paid to any Plaintiffs or members of the Settlement Class. The actual amounts awarded will be determined by the Court to ensure that the amounts of attorneys' fees and costs awarded are reasonable.

Class Counsel's request for attorneys' fees, costs of the litigation, and Settlement administration is published at www.HoulihanLawrenceLitigation.com.

OBJECTING TO THE PROPOSED SETTLEMENT

You can tell the Court that you don't agree with the Settlement or some part of it.

13. How do I tell the Court that I don't like the Settlement?

If you are a Class Member, you can object to this Settlement if you do not like any part of it, including the forthcoming motion for attorneys' fees and costs. You can give reasons why you think the Court should not approve it. The Court will consider your view. To object, you must file or send a written objection to the Court, as instructed by the Court, postmarked on or before **June 10, 2025**, or you will waive your right to object (whether in opposition to the motion for Preliminary Approval, motion for attorneys' fees and costs, motion for Final Approval, on appeal, or otherwise) to the Settlement. Be sure to include the case name and number (*Goldstein et al. v. Houlihan Lawrence., Index No. 60767/2018*), your name, address, telephone number, your signature, and the reasons you object to the Settlement.

You must file any objection with the Clerk of the Court at the address below, postmarked on or before June 10, 2025:

New York State Supreme Court, Westchester County, Commercial Division
111 Dr. Martin Luther King Jr. Blvd
New York, NY 10027
Goldstein et al. v. Houlihan Lawrence., Index No. 60767/2018

You must also send your objection by first-class mail, postmarked on or before June 10, 2025, to Class Counsel and Defendant's Counsel. These documents should be mailed to Class Counsel at:

Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C.
c/o Jeremy Vest
919 Third Avenue
New York, NY 10022

and to Houlihan Lawrence at:

DelBello Donnellan Weingarten Wise & Wiederkehr LLP
c/o Alfred Donnellan
360 Hamilton Avenue
White Plains, NY 10601

Any member of the Settlement Class who does not file and serve an objection in the time and manner described above will not be permitted to raise that objection later.

14. What's the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the Settlement. You can object to a Settlement only if you stay in it. Excluding yourself is telling the Court that you do not want to be part of a Settlement. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

THE COURT'S FAIRNESS HEARING

15. When and where will the Court decide whether to approve the Settlement?

There will be a final Fairness Hearing to consider approval of the proposed Settlement, **at 11:00 AM on June 18, 2025**, at the New York State Supreme Court, Westchester County, Commercial Division, Courtroom 103, 111 Dr. Martin Luther King, Jr. Blvd., White Plains, NY 10601. The hearing may be postponed to a later date without further notice. Any such postponements will be posted on the Court docket and/or Settlement Website at www.HoulihanLawrenceLitigation.com. The purpose of the hearing is to determine the fairness, reasonableness, and adequacy of the terms of the Settlement, whether the Settlement Class is adequately represented by the Plaintiffs and Class Counsel, and whether an order and final judgment should be entered approving the proposed Settlement. The Court will also consider Class Counsel's application for an award of attorneys' fees and expenses, and any class representative service awards.

You will be represented by Class Counsel at the Fairness Hearing unless you choose to enter an appearance in person or through your own counsel. The appearance of your own attorney is not necessary to participate in the Fairness Hearing.

16. Do I have to come to the hearing?

No. Class Counsel will represent the Settlement Class at the Fairness Hearing, but you are welcome to come at your own expense. If you send any objection, you do not have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend if you wish.

17. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter saying that it is your "Notice of Intention to Appear in *Goldstein et al. v. Houlihan Lawrence*, Index No. 60767/2018." Be sure to include your name, address, telephone number and your signature. Your Notice of Intention to Appear must be postmarked no later than **June 10, 2025**, and be sent to the Clerk of the Court, Class Counsel and Counsel for Houlihan Lawrence, at the addresses in FAQ 13. You cannot speak at the hearing if you exclude yourself.

HOULIHAN LAWRENCE LITIGATION SETTLEMENT

NOTICE OF PROPOSED SETTLEMENT

If you bought or sold residential real estate with the assistance of Houlihan Lawrence between January 1, 2011 and July 14, 2018, then you *may* be part of a class action settlement.

Please read this Notice carefully because it may affect your legal rights.

A state court has ordered this Notice. It is not from a lawyer, and you are not being sued.

- This Settlement resolves claims against Houlihan Lawrence, Inc. ("Houlihan Lawrence") in a lawsuit for allegedly acting as a real estate agent on behalf of buyers and sellers in the same residential real estate transaction, without disclosing all facts material to the dual agency and obtaining both parties' informed written consent, including offering in-house bonuses to its sales agents for brokering deals within Houlihan Lawrence.
- Houlihan Lawrence has agreed to pay \$9,000,000 into the Settlement Fund and to eliminate and prohibit all "in-house bonus" payment programs.
- This Settlement releases all Released Claims that any Settlement Class Members have against Houlihan Lawrence.

Your Legal rights are affected whether or not you act. *Please read this Notice carefully.*

YOUR LEGAL RIGHTS AND OPTIONS	
ASK TO BE EXCLUDED BY June 10, 2025	If you do not want to be included in this Settlement with Houlihan Lawrence, you must exclude yourself. This is called "opting out." This is the only option that allows you to sue Houlihan Lawrence for these same issues again.
OBJECT BY June 10, 2025	You may write to the Court about why you don't like the proposed Settlement. You cannot object if you opt-out.
GO TO A HEARING ON June 18, 2025	You may ask to speak in Court about the fairness of the proposed Settlement with Houlihan Lawrence.
DO NOTHING	If you do nothing and the Court approves the proposed Settlement, you will not be able to sue Houlihan Lawrence for these same issues again.

- These rights and options – and the deadlines to exercise them – are explained in this Notice.
- The Court in charge of this case still has to decide whether to approve the proposed Settlement.

BASIC INFORMATION

1. Why did I get this Notice?

This Notice has been posted for the benefit of members of the Settlement Class. If you are uncertain about whether you are a member of the Settlement Class, you may contact the Settlement Administrator at 1-877-654-1976.

This Notice has been posted because members of the Settlement Class have a right to know about the proposed Settlement of the class action lawsuit in

which they are Class Members, and about all of their options before the Court decides whether to approve the Settlement. As set forth below, you have the right to submit to the Court, in writing, any objection you may have to the Settlement. Following the close of the objection period, the Court will hold a public hearing to consider whether the Settlement is fair, reasonable, and adequate. If the Court determines that it is, you and all other Class Members will be bound by the terms of the Settlement.

This Notice explains the lawsuit, the Settlement, and your legal rights. A full copy of the Settlement Agreement may be viewed at the Settlement Website: www.HoulihanLawrenceLitigation.com. This Notice contains only a summary of the Settlement.

The Court in charge of the Settlement is Justice Linda S. Jamieson of the Supreme Court of the State of New York, Westchester County. The case before this Court is known as *Goldstein et al. v. Houlihan/Lawrence Inc.*, Index No. 60767/2018 ("Goldstein"). The people who filed this lawsuit are called the Plaintiffs. The company being sued is called the Defendant. Houlihan Lawrence is the Defendant in the *Goldstein* action.

2. What is this lawsuit about?

The lawsuit alleges that Houlihan Lawrence breached fiduciary duties and engaged in deceptive and misleading business practices by acting as the agent for the buyers and sellers in the same residential real estate transaction without disclosing all material facts to the dual agency and obtaining both parties' informed written consent. Plaintiffs allege that Houlihan Lawrence acted as an undisclosed, non-consensual dual agent in these residential real estate transactions as part of a strategy to increase its in-house sales that included offering undisclosed "in-house bonuses" to its real estate agents to incentivize dual agency sales, and that Houlihan Lawrence forfeited the commissions it collected on those transactions as a result. These claims apply to home sales that occurred in Westchester, Putnam, and Dutchess counties between January 1, 2011 and July 14, 2018.

3. Has the Court decided who is right?

Although the Court has authorized notice to be given of the proposed Settlement, this Notice does not express the opinion of the Court on the merits of the claims or defenses asserted by either side of the lawsuit.

Houlihan Lawrence disputes Plaintiffs' allegations and denies all liability to Plaintiffs and the Class. You can read the Answer filed by Houlihan Lawrence in the lawsuit here: www.HoulihanLawrenceLitigation.com.

The parties entered into this proposed Settlement on October 3, 2024, after a jury was selected but before the case proceeded to trial.

4. Why is this case a class action?

In a class action, one or more people called class representatives sue on behalf of other people who have similar claims. The people together are a "Class" or "Class Members." The consumers who sued the Defendant — and all the Class Members like them — are called Plaintiffs. The company they sued is called the Defendant. One court resolves the issues for everyone in the Class — except for those who choose to exclude themselves from the Class.

Here, the Court decided that a Class can be certified for settlement purposes because it preliminarily meets the requirements of Civil Practice Law and Rules § 908, which governs class actions in New York state court. Specifically, the Court found that: (1) there are numerous people who fit the class definition; (2) there are legal questions and facts that are common to each of them; (3) the Plaintiffs' claims are typical of the claims of the rest of the Class; (4) Plaintiffs, and the lawyers representing the Class, will fairly and adequately represent the Class Members' interests; (5) the common legal questions and facts are more important than questions that affect only individuals; and (6) class treatment will be more efficient than having individual lawsuits.

5. Why is there a Settlement?

Counsel for the Settlement Class investigated the facts and applicable law regarding Plaintiffs' claims and Defendant's defenses, the potential issues on appeal, and Houlihan Lawrence's ability to pay. The parties engaged in lengthy arms-length negotiations under the Court's supervision to reach the Settlement. Plaintiffs and Counsel for the Settlement Class believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interest of the Class.

Both sides agree that by settling, Houlihan Lawrence is not admitting any liability or that it did anything wrong. Both sides want to avoid the uncertainties and expense of further litigation.

WHO IS IN THE SETTLEMENT?

6. How do I know if I am a part of the Settlement?

The Settlement Class consists of all home buyers and sellers of residential real estate in Westchester, Putnam, and Dutchess County, New York from January 1, 2011 and July 14, 2018 in which Houlihan Lawrence represented both buyer and seller in the same transaction, including those who entered into an arbitration agreement with Houlihan Lawrence.

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

Houlihan Lawrence has agreed to pay \$9,000,000 into a Settlement Fund and to eliminate and prohibit the “in-house bonus” payment program.

Class Counsel has asked the Court for an award of attorneys’ fees, costs of the litigation, and Settlement administration expenses of \$9,000,000 to be paid out of the Settlement Fund. If approved, the Settlement will not provide for any monetary relief to be paid to any Plaintiffs or members of the Settlement Class. The actual amounts awarded will be determined by the Court to ensure that the amounts of attorneys’ fees and costs awarded are reasonable.

8. What am I giving up?

Upon the Court’s approval of the proposed Settlement, all members of the Settlement Class who do not exclude themselves (as well as their representatives) will release Houlihan Lawrence (and its affiliates, subsidiaries, franchisees, employees, and certain others as specified in the Settlement Agreements).

All members of the Settlement Class who do not exclude themselves will release claims whether known or unknown that they ever had, now have, or hereafter may have and that have accrued as of the date of preliminary approval of the Settlement arising from or related to the Released Claims. “Released Claims” means any and all manner of claims, regardless of the cause of action, arising from or relating to conduct that was alleged or could have been alleged in the Action based on any or all of the same factual predicates for the claims alleged in the Action, including but not limited to any claims relating to dual agency, disclosures, RPL 443, GBL 349, bonuses, commissions, teams, advertising, or fiduciary duties in connection with the sale or purchase of any residential home.

This release may affect your rights and may carry obligations in the future. To view the terms of the release, review the Settlement Agreement, which is available at www.HoulihanLawrenceLitigation.com.

FILED: WASHINGTON COUNTY CLERK 06/16/2025 04:12 PM INDEX NO. 60767/2018

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you want to keep the right to sue or continue to sue Houlihan Lawrence on your own about the legal issues in this case, then you must take steps to get out of this Settlement Class. This is called excluding yourself—or is sometimes referred to as opting out of the Settlement Class.

9. How do I ask to be excluded?

To ask to be excluded, you must execute and send a Request for Exclusion to the Settlement Administrator so that it is postmarked or emailed on or before June 10, 2025. A Request for Exclusion must be personally signed by each Settlement Class Member requesting exclusion. Additionally, a Request for Exclusion must include the Settlement Class Member's present name and address, a clear and unequivocal statement that the Settlement Class Member wishes to be excluded from the Settlement Class, and the signature of the putative Settlement Class Member or, in the case of a Settlement Class Member who is deceased or incapacitated only, the signature of the legally authorized representative of the putative Settlement Class Member.

If the request is not postmarked on or before June 10, 2025, your exclusion will be invalid, and you will be bound by the terms of the Settlement approved by the Court, including without limitation, the judgment ultimately rendered in the case, and you will be barred from bringing any claims against Houlihan Lawrence outlined in FAQ 8 above which arise out of or relate in any way to the claims in the case as specified in the release referenced in FAQ 8 above.

You must submit your Exclusion Request by email to info@HoulihanLawrenceLitigation.com or by mail to:

Goldstein, et al. v. Houlihan Lawrence
c/o JND Legal Administration – Exclusion Dpt.
PO Box 91306
Seattle, WA 98111

10. If I don't exclude myself, can I sue Houlihan Lawrence for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Houlihan Lawrence and those affiliated with Houlihan Lawrence for the claims that the Settlement resolves. If you have a pending lawsuit against Houlihan Lawrence or certain affiliated entities, speak to your lawyer in that case

immediately. You may have to exclude yourself from this Class to continue your own lawsuit. Remember, the exclusion deadline is June 10, 2025.

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in this Settlement?

The Court decided that the law firms Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C. and Boies Schiller Flexner LLP are qualified to represent you and all other Settlement Class Members. These lawyers are called “Class Counsel.” You will not be charged for these lawyers. They are experienced in handling similar cases against other entities. More information about the law firms, their practices, and their lawyers’ experience is available at: www.mintz.com and www.bsflp.com.

Class Counsel represents the interests of the Settlement Class. You may hire your own attorney to advise you, but if you hire your own attorney, you will be responsible for paying that attorney’s fees.

12. How will the lawyers be paid?

Class Counsel has asked the Court for an award of attorneys’ fees, costs of the litigation, and Settlement administration expenses of \$9,000,000 to be paid out of the Settlement Fund. If approved, the Settlement will not provide for any monetary relief to be paid to any Plaintiffs or members of the Settlement Class. The actual amounts awarded will be determined by the Court to ensure that the amounts of attorneys’ fees and costs awarded are reasonable.

Class Counsel’s request for attorneys’ fees, costs of the litigation, and Settlement administration is published at www.HoulihanLawrenceLitigation.com.

OBJECTING TO THE PROPOSED SETTLEMENT

You can tell the Court that you don’t agree with the Settlement or some part of it.

13. How do I tell the Court that I don’t like the Settlement?

If you are a Class Member, you can object to this Settlement if you do not like any part of it, including the forthcoming motion for attorneys’ fees and costs. You can give reasons why you think the Court should not approve it.

The Court will consider your view. To object, you must file or send a written objection to the Court, as instructed by the Court, postmarked on or before June 10, 2025, or you will waive your right to object (whether in opposition to the motion for Preliminary Approval, motion for attorneys' fees and costs, motion for Final Approval, on appeal, or otherwise) to the Settlement. Be sure to include the case name and number (*Goldstein et al. v. Houlihan Lawrence.*, Index No. 60767/2018), your name, address, telephone number, your signature, and the reasons you object to the Settlement.

You must file any objection with the Clerk of the Court at the address below, postmarked on or before **June 10, 2025**:

New York State Supreme Court, Westchester County, Commercial Division
111 Dr. Martin Luther King Jr. Blvd
New York, NY 10027
Goldstein et al. v. Houlihan Lawrence., Index No. 60767/2018

You must also send your objection by first-class mail, postmarked on or before **June 10, 2025**, to Class Counsel and Defendant's Counsel. These documents should be mailed to Class Counsel at:

Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C.
c/o Jeremy Vest
919 Third Avenue
New York, NY 10022

and to Houlihan Lawrence at:

DelBello Donnellan Weingarten Wise & Wiederkehr LLP
c/o Alfred Donnellan
360 Hamilton Avenue
White Plains, NY 10601

Any member of the Settlement Class who does not file and serve an objection in the time and manner described above will not be permitted to raise that objection later.

14. What's the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the Settlement. You can object to a Settlement only if you stay in it. Excluding yourself is telling the Court that you do not want to be part of a Settlement. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

THE COURT'S FAIRNESS HEARING

15. When and where will the Court decide whether to approve the Settlement?

There will be a final Fairness Hearing to consider approval of the proposed Settlement, at 11:00 AM on June 18, 2025, at the New York State Supreme Court, Westchester County, Commercial Division, Courtroom 103, 111 Dr. Martin Luther King, Jr. Blvd., White Plains, NY 10601. The hearing may be postponed to a later date without further notice. Any such postponements will be posted on the Court docket and/or Settlement Website at www.HoulihanLawrenceLitigation.com. The purpose of the hearing is to determine the fairness, reasonableness, and adequacy of the terms of the Settlement, whether the Settlement Class is adequately represented by the Plaintiffs and Class Counsel, and whether an order and final judgment should be entered approving the proposed Settlement. The Court will also consider Class Counsel's application for an award of attorneys' fees and expenses, and any class representative service awards.

You will be represented by Class Counsel at the Fairness Hearing unless you choose to enter an appearance in person or through your own counsel. The appearance of your own attorney is not necessary to participate in the Fairness Hearing.

16. Do I have to come to the hearing?

No. Class Counsel will represent the Settlement Class at the Fairness Hearing, but you are welcome to come at your own expense. If you send any objection, you do not have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend if you wish.

17. May I speak at the hearing?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter saying that it is your "Notice of Intention to Appear in *Goldstein et al. v. Houlihan Lawrence*, Index No. 60767/2018." Be

sure to include your name, address, telephone number and your signature. Your Notice of Intention to Appear must be postmarked no later than June 10, 2025, and be sent to the Clerk of the Court, Class Counsel and Counsel for Houlihan Lawrence, at the addresses in FAQ 13. You cannot speak at the hearing if you exclude yourself.

These claims apply to home sales that occurred in Westchester, Putnam, and Dutchess counties between January 1, 2011 and July 14, 2018.

How do I know if I am a part of the Settlement?

The Settlement Class consists of all home buyers and sellers of residential real estate in Westchester, Putnam, and Dutchess County, New York from January 1, 2011 and July 14, 2018 in which Houlihan Lawrence represented both buyer and seller in the same transaction, including those who entered into an arbitration agreement with Houlihan Lawrence.

What does the Settlement provide?

Houlihan Lawrence has agreed to pay \$9,000,000 into a Settlement Fund and to eliminate and prohibit the "in-house bonus" payment program.

The purpose of the hearing is to determine the fairness, reasonableness, and adequacy of the terms of the Settlement, whether the Settlement Class is adequately represented by Plaintiffs and Class Counsel, and whether an order and final judgment should be entered approving the proposed Settlement. The Court will also consider Class Counsel's application for an award of attorneys' fees and expenses and any class representative service awards. You will be represented by Class Counsel at the Fairness Hearing unless you choose to enter your appearance in person or through your own counsel. Re: Goldstein et al. v. Houlihan Lawrence., Index No. 60767/2018

Ladies and Gentlemen:

We object strenuously to this settlement. We listed our house with a Houlihan Lawrence agent in September 2016 for \$595,000. The house was then sold by another Houlihan Lawrence agent residing in the same office (Fishkill) in March 2017 for \$555,000.

We always thought the price was lower than it should have been. The fact that the court has found inappropriate circumstances is reassuring. But the fact that the entire settlement is requested BY PLAINTIFF COUNSEL TO BE PAID TO COUNSEL is disturbing.

While counsel gives many examples of similar settlements made in the interest of "public welfare", we do not consider it appropriate that all funds go to Counsel.

We do not believe that a settlement should have been agreed by Houlihan Lawrence counsel, and accepted by the Court, unless there was a belief that Houlihan Lawrence customers had been wronged. Apparently, the Court, implicitly by its acceptance of the settlement, believed that customers had been wronged. Plaintiff Counsel, in its explanation, says that it is performing a public service for future customers through its suit. What about customers that actually suffered monetary losses.

Then, the documents state that if we object, we are unable to "opt out". That implies that we would have to start another class action suit regarding the same matter to obtain equity. That does not seem to be in the interest of the Court or the affected customers of Houlihan Lawrence. **Therefore, we are requesting the Court to either mandate an increased settlement amount that properly addresses the affected parties or alter the allocation of the \$9.0 million agreed settlement.**

Respectfully,

Gregory H. Smith

Statement of Objection

My name is Michael W. Welcome and I am a member of the plaintiff class in the case of Goldstein vs. Houlihan Lawrence. I am a member because I sold my house in Larchmont, NY in 2016 using Houlihan Lawrence as a broker.

I am writing to object to the Settlement in the case. The reason I object is that the attorneys are asking the Court for the entire amount of the Settlement.

The attorneys presumed filed a Class Action suit against Houlihan Lawrence because a class of people was harmed. Houlihan Lawrence presumed agreed to a settlement because they admitted that a class of people suffered at least some degree of harm.

It seems unfair, and indeed absurd, that the people on whose behalf the entire enterprise was undertaken do not stand to benefit from the Settlement in any way. It is unlikely that the Court system exists simply as a jobs program for attorneys, as opposed to a venue where wrongs are righted, yet in this case that appears to be what the attorneys believe it to be.

I hope that the Court will give consideration to the point of view of the Class on whose behalf the suit was filed.

RE: *Goldstein et al. v. Houlihan Lawrence.*, Index No. 60767/2018

I am writing to express my concern regarding Class Counsel's motion for \$9 million for attorneys' fees and costs. Don't most lawsuits customarily allow for 33.3% of settlement amounts for Counsel? I do not see why this case would warrant more than that.

The real 'victims' of these Houlihan Lawrence unconscionable practices are the buyers and sellers of these real properties and should be awarded the settlement compensation.

Sincerely,

Nancy Amoroso

RE: SETTLEMENT OBJECTION

New York State Supreme Court, Westchester County, Commercial Division
111 Dr. Martin Luther King Jr. Blvd
New York, NY 10027
Goldstein et al. v. Houlihan Lawrence., Index No. 60767/2018

Your Honor:

I strenuously object to the terms of the settlement in this matter. I received a Notice of Class Action Settlement which explained that Houlihan Lawrence will pay a \$9 million settlement in which all \$9 million will be paid to the Class Counsel. I have never objected to any class action settlement before and usually don't even read these documents when they're sent to me, but this is so egregious that I felt it important to object.

I purchased a home in Scarsdale, NY in 2007 with Julia B Fee (predecessor firm to Houlihan Lawrence) and sold that home in 2011. In both transactions Houlihan Lawrence / Julia B Fee represented the buyer and seller. And in both cases I felt that my wife and I were not properly represented, but these were our first home transactions. We were naïve. Shenanigans that occurred in transactions like ours are likely why this litigation was initiated. So, I support this litigation in concept and believe it is appropriate that Houlihan Lawrence pay into a settlement fund.

However, worse than the actions of Houlihan Lawrence are the actions by the Class Counsel. Under the terms of the Settlement, Class Counsel has used a history of questionable actions by Houlihan Lawrence representatives to only benefit the Class Counsel, with nothing done for the class supposedly represented by the Class Counsel!

Lawyers are the butt of many jokes in this country. They are frequently accused of being self-serving and unethical. In my many years working with outstanding attorneys during my time in New York, I could not understand why the general public looked on the legal profession with such disdain. Class Counsel's rapacious settlement proposal in this matter is why!

I believe it is appropriate that Houlihan Lawrence pay \$9 million into a Settlement Fund. I have no objection to that. And it is reasonable that Class Counsel be reimbursed for actual and documented costs in this matter. However, they should not be paid fees for their work in this matter if they aren't successful in generating a recovery for the class they supposedly represent. If it's not possible to provide distributions to the Class from the Settlement Fund, it would be far better that the funds be donated to charity. I'm sure there are appropriate options that provide legal services and/or homebuying assistance in Westchester County.

I don't expect to receive anything in this case, but I don't believe the Class Counsel should either.

Sincerely,

Michael Halpern
